Overall results in 2022 were well above national averages at GCSE, and our first set of examined A Level results were fantastic as well. Two St Andrew students started at University of Oxford in the autumn of 2022. Our last set of DT results featured 22% getting 9-7 grades and in Art it was 14.5%. We have talented students in these subjects, which are also inclusive in nature. It is an exciting time to join the school as we are well along the way with plans for the construction of our permanent site, which will also be on the site of the North London Business Park. For D&T this will mean a purpose-built suite of classrooms, including a Food Technology room.
