## Head of Art Permanent/Full Time MPS Outer London (TLR2c) Required September 2021

Edmonton County School is looking for an inspirational Head of Art who motivates pupils and staff alike to always strive to do their best. We aim to recruit a committed and ambitious Head of Department who is able to plan and further develop our vision for Art and Photography in our school. We are a heavily oversubscribed all-through (4-18) school, which has a reputation for providing outstanding support for staff and students.

The Art Department has an outstanding reputation across the school with excellent results at KS4 and KS5 in both Art and Photography. These well-established courses are and are rightly very popular, particularly at GCSE level. The Head of Art has the responsibilities of maintaining the department's strong reputation within the school, continuing to promote the Arts to a high standard and contribute to the school's extra-curricular activities and provision. Candidates should have qualified teacher status and ideally have some leadership and management experience in a secondary school.

The Art & Design Department is part of a well-established Expressive Arts Faculty which aims to provide a safe, nurturing and creative learning environment for all children across the school. The Expressive Arts faculty is a large, innovative and vibrant team spread across two campuses. The faculty leadership structure includes: Head of Faculty, Head of Art, Head of Design, Head of Music and Head of Drama. The Expressive Arts faculty is supportive and collaborative; we have high expectations to ensure that our pupils have the very best chances of success. If you relish the chance to: share ideas, develop your practice and make a meaningful and significant contribution to the educational outcomes of our young people, then this is the place for you.

Edmonton County School is a mixed, multicultural, dual campus school with a genuinely comprehensive intake. We are a good school with outstanding aspects and we enjoy teaching well-motivated students. The school is in an exciting stage of its development and we welcome applications from people who want to become part of a consistently improving school.
