# **Principal's introduction**

Thank you for taking time to request information about the appointment of a Head of Computing at Walkwood Church of England Middle School. If the successful candidate is an Early Career Teacher, full support will be given as part of a structured and sustained programme of induction.

Walkwood is a school that has clear values that are taught within all lessons alongside the subject knowledge and associated skills. Therefore, we are seeking a colleague who will share the vision for a curriculum that links content, skills and values, and who also believes that each individual pupil deserves high-level pastoral care.

The inclusive vision of the school ensures that all children are supported in their personal well-being and academic achievement.

SIAMS, 2017

The school has an impressive climate for learning. Pupils' contributions in lessons are often thoughtful, sensitive and articulate.

Ofsted 2018

Our school is "middle deemed secondary", and the timetable is run as for a secondary school, with great emphasis placed on subject specialisms. Tutor groups are based within four colleges, and each groups is made up of pupils in Year 5 to 8.

The inclusive vision of the school ensures that all children are supported in their personal well-being and academic achievement.

SIAMS, 2017

The school has an impressive climate for learning. Pupils' contributions in lessons are often thoughtful, sensitive and articulate.

Ofsted 2018

Pupils at key stage 2 (Years 5 and 6) have 1 lesson a fortnight of Computing, while pupils within key stage 3 (Years 7 and 8) have 2 lessons over the two-week timetable cycle. The details of the curriculum that currently operates <u>are on our website</u> and I would expect any candidate worthy of consideration to scrutinise these documents, along with <u>general information about the school</u>, before deciding to apply and, hopefully make reference to the curriculum in any supporting statement.

Walkwood teachers support children in developing their understanding of problem solving and reasoning in a broad range of contexts in which they can explore, enjoy, learn, practice and talk about their developing understanding. Children are offered opportunities for these skills to be practiced in order to give them confidence and competence in their use.

Throughout their time at Walkwood, all pupils are encouraged to express themselves creatively and imaginatively, through their reading, writing, speaking and listening. We expose them to a wide range of genres, text types and visual and audio media to stimulate their responses. The Walkwood Learning Roots (all our "Learning Superheroes": Reflective Learner, Team Worker, Creative Thinker, Independent Enquirer, Self-Manager, Information Retriever and Effective Participator) help our students to reflect on their own skills as learners and to develop these skills across the curriculum, in an interactive and creative manner.

Should you read the information and consider that you match our criteria, do progress to making an application. A standard application form must be completed, and this is downloadable from the school website. Please send your document to <a href="mailto:recruitment@walkwoodms.worcs.sch.uk">recruitment@walkwoodms.worcs.sch.uk</a> by **9.00am** 

on **27**<sup>th</sup> **March 2023**. Short-listed candidates will be contacted soon after this date. I regret that feedback to unsuccessful applicants will be limited to those who are called for interview.

If you feel you are ready for a new role, working collaboratively with pupils and staff, then I look forward to receiving your application. In any event, I thank you again for your interest in Walkwood Church of England Middle School.

Yours sincerely, Rev. Clive Leach Principal

# **Principles and purpose**

At Walkwood Church of England Middle School we:

- Hold each child as precious
- Support the development of good character
- Seek for the best rates of academic progress
- Engender care, happiness & love

At Walkwood Church of England Middle School our purpose continues to be for pupils to:

- develop a deep desire to learn, engaging with the roots of the learning process;
- cultivate values that will shape their living both within and without the school;
- experience awe and wonder, and consider both spiritual and human dimensions.

Borrowing an adage from St. Irenaeus: "The glory of God is a human being fully alive!"

### **Vision and Values**

The school has been an established Christian community for an extended period, being welcoming and friendly, with pupils who are expected to behave and be eager to learn. Those pupils who find this a challenge are fully supported through highly functioning classroom practitioners and well-developed pastoral support.

### Walkwood Way

### 'Love to Learn; Learn to Live; Live to Love'

Our aim is that all children attending the school will become life-long learners who are curious about the world around them and are creative in their exploits while caring for others and themselves. We seek to enable our pupils to make informed choices, becoming increasingly independent and playing their part in the community. We offer pupils a spiritual dimension that is distinctively Christian, and honours other faiths and those people who profess no faith.

We aim to inspire every child – whatever their abilities – to achieve their very best, and make a valuable contribution to the Walkwood community. We want our pupils to love to learn.

Our school is not just about knowledge, it is also about skills. It's about inspiring children to look at the world differently, and about challenging them to be fascinated by lessons and subjects. In this way, we encourage our pupils to learn to live, preparing them for an adult life in a changing world, and as such we seek to equip our children for the future. Our 'Learning Superheroes' allow teachers to hone pupils' learning skills. We want pupils to excel in school... and in later life.

As a Church of England school, we are fully inclusive of all faiths and beliefs. While Christian principles underpin all of the school's values, we know that these morals are shared by many faiths. We look for our pupils to take into their lives beyond our school an outlook that allows then to live to love the experiences, people and spirituality that they encounter.

### Walkwood values

Our core values are expressed in the Fruits of Faith, which are ten values that have their roots in Christian tradition. However, we believe that devotees of other faiths, or those who express no faith commitment, are able to agree upon the definitions and implementation of these values within a shared community. These fruits are used as part of worship, and are also within lessons.

# Walkwood pupils

Our Christian ethos, embedded in all aspects of school life, ensures that every child will know what it is to be cared for and valued. All pupils receive the very best education and an equal opportunity to learn and achieve academically, socially and spiritually. We know that enthusiastic, happy, confident children are most likely to persevere and work to the best of their ability. We aim to build upon this and foster a love of learning in all children. Our Fruits of Faith and Superhero Thinking Skills form a firm foundation to school life where children are encouraged to develop independent learning skills, be thoughtful and take responsibility for their actions.

### Walkwood staff

We set high aspirations for all our pupils, both academically and socially, as well as allowing pupils to consider the spiritual dimension. Therefore, we have high expectations. Christian values lie at the heart of our work and we aim to provide a broad, rich, stimulating education to develop a thirst for learning in all children. We aim to challenge all our children to raise their standards and support them in that challenge, encouraging them to become reflective, resilient learners. Firm and fair discipline, based upon Christian values, is vital in creating an environment in which all children can flourish. We aim to make every child feel positive about their learning and achievements and our role as staff in school is to care, encourage and listen as well as to teach.

# **Walkwood community**

Our Fruits of Faith were developed as a Christian expression of the nature of the school, but also to define the characteristics of an interconnected community. These values are part of teachers' planning, as well as part of decision making by the Senior Leadership Team and Governors. We wish for our pupils to be aware of their role in the wider world, open their eyes to the diversity within it, celebrating the richness of human experience and the potential of divine expression.

# **Curriculum:** Introduction

Walkwood's curriculum is summarised by its three-fold mission statement: Love to Learn; Learn to Live; Live to Love.

Our curriculum is based on the National Curriculum. Our pupils are offered a very wide range of experiences to extend their understanding of themselves and the world in which they live.

Skills, attitudes and values are developed to prepare the children for the next stage of learning and enable them to be successful in the community. We believe that effective learning takes place when there is considerable emphasis on active involvement, opportunities to talk both imaginatively, expressively and to explain and clarify thinking. We make meaningful connections across subjects.

The school expects everyone to develop and show a sense of responsibility and self-discipline whether alone, together, at work or at play, and to support policies on equal opportunities. The development of character is a significant part of the school's work.

The school actively promotes its core values – the Fruits of Faith – doing so through the curriculum as well as through collective worship and vertical tutor time.

## **Curriculum: Aims**

- That all pupils are provided with outstanding learning experiences that lead to consistently outstanding levels of pupil achievement.
- From the start, children are taught in mixed ability groups to allow further consolidation for some, and for greater speed and breadth of delivery at the upper end of attainment.
- That all teachers and other professionals possess expert levels of knowledge in the subjects they teach.

- That all teachers and other professionals are "lifelong learners", committed to an ongoing development of their own knowledge and skills to optimise the pupils' learning experiences.
- That a positive, caring attitude, where achievements at all levels are acknowledged and valued, is prevalent throughout the school.
- That all pupils from the earliest opportunity are encouraged to develop independence, self-discipline, responsibility and the ability to build resilience.

# **Curriculum: Intent**

### **Love to Learn**

This aspect concerns the subject content, that is, structured and delivered in an age-appropriate, engaging and differentiated way. The content holds both the subject matter and the subject-specific processes that are taught and explored.

### Learn to Live

Here we have the learning roots – our 'Superhero skills'. These six aspects are part of the Walkwood Way, and are delivered in each lesson. Teaching draws out the opportunity for applying these learning and thinking skills. Literacy and numeracy strands are part of this section too.

### Live to Love

Our ten school values – our Fruits of Faith – are an aspect of our school that is unique to us. These values are in action throughout our school, and are thus another part of the Walkwood Way. It is appropriate that opportunities to model these values, and to exercise them, are within lessons.

# **Inspection highlights**

Pupils make good progress during their time at school. A well-taught and broad curriculum ensures that most pupils work at or above age-related expectations.

The school has an impressive climate for learning. Pupils' contributions in lessons are often thoughtful, sensitive and articulate.

Staff, parents and pupils speak warmly about the changes made to the school. Most staff are infected with the same desire to do their best for all pupils. They work very hard to achieve this.

Good Provider

The governing body has an estimable set of skills and brings a sharp perspective to the work of the school. It is aware of its responsibilities and is determined to improve the school further.

A varied and interesting curriculum gives pupils ample opportunities to study a broad range of subjects. Pupils enjoy a rich diet of activities outside of lessons...

Pupils in the school feel safe. They know whom to turn to if they encounter any difficulty. They are confident about raising any issues they have. Bullying is rare. It is taken seriously and dealt with firmly if it does occur.

Many teachers balance the development of pupils' subject knowledge, skills for learning and positive attitudes very skilfully. They blend the lesson objectives with the development of 'superhero learning traits' and promote pupils' understanding of the 'fruits of faith'.

Pupils are supported carefully when they arrive at the school. Effective liaison between most local schools helps to ensure that pupils settle into school well.

During their time at school, pupils develop into confident, hardworking and articulate pupils. They acquire good social skills, develop tolerance of others and are resilient.

Key to the school's vision is that every individual is created in the image of God, and from this belief springs the school's outstanding attention to individual needs, both academic and pastoral.

The inclusive vision of the school ensures that all children are supported in their personal wellbeing and academic achievement.

Children are inspired by collective worship, with the result that messages from worship cause them to reflect on their lives and take action in support of those in need.

The school's inclusive Christian ethos ensures that children have an outstanding understanding of and respect for difference and diversity.

The result of the outstanding leadership at Walkwood is that, in line with the school's motto, each member of the school community is challenged, encouraged and nurtured to "love to learn, learn to live and live to love".

"Therefore, my beloved, be steadfast, immovable, always excelling in the work of the Lord, because you know that in the Lord your labour is not in vain."

2 Corinthians 15: 58

I pray that you may have the power to comprehend, with all the saints, what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God.'

Ephesíans 3:18-19
