Welcome to **LET** Education Trust

Dear colleague,

Thank you for showing an interest in a post at one of our schools. The LET Education Trust is a cross-phase multi-academy trust based in Lancashire with currently primary and secondary schools as members.

We believe that every child deserves the best education and we create opportunities and experiences for all of them to reach their potential. Building 'cultural capital' is vital for our pupils and this occurs from reception up to year 11 through trips, activities, projects, events and residentials, both at home and abroad. We are ambitious for our pupils, meaning we are always striving for excellence and supporting career aspirations through a culture of constant improvement.

Each of our schools is different and this is something we value and celebrate. The uniqueness of each school is supported by strong central services and a school-centred and approachable central team. Most colleagues work in one school but some work across a range of schools where their skills and abilities are needed.

Collaboration is key for LET schools and at the forefront of this is staff development. Joint INSET days with keynote speakers, middle and senior leader training and subject links occur across and between schools and phases. To aid transition for pupils, and planning for teachers, we are working on key fundamental skills required for KS3, in KS2. Sharing this information is proving invaluable in getting pupils 'secondary ready' and ensuring a smooth start to year 7.

One of the strengths of the LET Education Trust is school improvement, with a range of high-quality SLEs able to provide support where it is needed, both within and beyond the Trust. We also have Initial Teacher Training as part of our remit through the Pennine Lancashire SCITT. This has successfully trained primary and secondary teachers over the last 10 years with a large number employed locally and within the LET Education Trust.

If you have the highest standards of professional endeavour, integrity and ethics and would like to be part of our growing MAT, I look forward to receiving your application. You can find out more about our Trust at www.let-edu.org

Best wishes,
Steve Campbell
Chief Executive

The Rhyddings Way

Respect **Yours** **Determination** **Neighbourly** **Supportive**
Honesty **Democracy** **Inspire** **Generous**

We would like to extend a warm welcome from all pupils, staff, governors and trustees of Rhyddings. Rhyddings serves the East Lancashire old mill town of Oswaldtwistle and surrounding area. It has been at the heart of the community for 90 years and enjoys good transport links via the M65 corridor and adjoining networks of M6 and M66.

The school has been in a period of transition, having returned to our permanent site following a £10 million re-development, back in the heart of our community, and establishing a more normal return to school following the pandemic. We are also part of a group of founding schools to form a new multi-academy trust, within Hyndburn, with a neighbouring high school and two primary schools. The LET Education Trust will provide exceptional education across its schools, placing staff development and opportunity as a priority for improvement. The school is also expanding and has moved from 4 form entry to 6 form entry within the last 18 months.

We continue to work hard to prepare the young people we serve and help them realise and reach their potential, providing them with the very best educational experiences. This of course can only be achieved through great Teaching and Learning, high levels of attendance and family engagement. Pupils are well supported through our Pastoral Year and House Continent systems. This provides the support pupils need to perform well across the curriculum as well as healthy competition throughout the year.

We have an active extra-curricular programme and run a number of annual residential trips both here and abroad. Close links with the local Rotary Club provides access to bespoke programmes, community work and charitable activities. Pupils can complete their Duke of Edinburgh Bronze Award and participate in many trips and residential experiences.

Our curriculum areas are largely suited in a combination of specialist facility and traditional classroom space. We have a 3-year KS3 and 2-year KS4, offering EBacc, should pupils choose to do so. We have a 25 period week of 1 hour lessons.

Should you wish to arrange a visit to the school please contact Mrs Worthington, PA to the Headteacher, on 01254 231051. I hope you find the information useful and welcome your application.

Yours faithfully,
Mr A Williams
Headteacher

ABOUT OUR Maths DEPARTMENT

In September there will be 5 FTE staff in the Maths department, one of which is the second in department to support the leadership of the team.

The current team is a range of experience and expertise, with one ECT joining in September 2022. Together this hardworking and committed team has driven improvements in our Maths curriculum, underpinned by the White Rose Maths (WRM) Scheme with the impact showing in improved outcomes in 2022.

Pupils have 4hrs per week at KS3 and 4. At KS4 pupils study the GCSE Edexcel Specification. We have recently invested in Learning by Questions in Maths, which uses tablets and questions aligned to the curriculum. Realtime learning and instant feedback to both the teacher and pupil has added a powerful element to the department's pedagogical approach. <https://www.lbq.org/>

The department has weekly collaborative Curriculum Planning Meetings and all teachers have weekly dedicated personal and professional development time. Our commitment and investment in staff is paramount.

There is also wider support from across the Trust, network of primary schools (many of which also use WRM) and East Lancashire Teaching Alliance making this role a fantastic opportunity for a candidate ambitious for themselves, their team, our school and most importantly our pupils.

Our values are at the heart of what we do, underpinning our culture, ethos and rewards.

SUPPORT FOR OUR STAFF

We have a comprehensive offer of professional development. This includes regular CPD opportunities across the year for whole staff, teams and individuals.

Our curriculum planning meetings are developmental and this is further supported by our dedicated weekly hour of Personal Professional Development.

This underpins our research approach to our appraisal system, which is based on a Personal Inquiry Question. School also has a CPD library, uses collaborative learning tools, as well as accessing external courses and training, including NPQ's. Work across the Trust is also a feature of our commitment to developing our staff and providing the very best opportunities.

HOW TO APPLY

Please note that CVs will not be accepted.

Applications should be submitted using the forms available from our website with a supporting letter of no more than two pages of A4. The supporting letter should be clear, concise, accurately written and presented in an organised way, it should show how your experience to date has prepared you for this role.

Your cover letter and completed application form should be returned no later than the specified closing date to Mrs Worthington, Headteacher's PA, to worthington@rhyddings.co.uk.

Your cover letter should be addressed to the headteacher of the school, Mr A Williams.

Please note that, in the interests of economy, we will not acknowledge receipt of your application. If you have not been contacted within 28 days of the closing date, you should assume your application has not been successful.

Good luck!
