# Candidate Information Pack

## Head of PE

Post Available from: January 2022

Closing Date: 3<sup>rd</sup> December 2021

# Welcome to Burton Borough School

Dear Candidate,

Thank you for your interest in this post at The Burton Borough School. We are an inclusive school that focusses on 'belonging' and 'thinking' and it is our firm belief that all students, no matter what their backgrounds, needs or abilities are able to succeed and reach their full potential given the right care support and guidance. We believe that all students have different gifts and we nurture these to bring out the best in each of them. Staff at Burton Borough have high expectations and the drive, commitment and passion to help young people succeed, preparing them well for the next stage of their education.

We want our students to be well-rounded and not only rely on rote so that they are able to compete with their peers not only nationally but internationally. However, in order to do this, we must model this behaviour ourselves by being lifelong learners, engaging in research, keeping abreast of new initiatives and staying at the forefront of education. We must work together in sharing best practice, reach out and help each other to develop our pedagogy to make us even stronger practitioners to help our students achieve what they are capable of. We have a fantastic CPD programme and run both the NPQML and NPQSL at Burton Borough in collaboration with Star Institute.

Mental health and wellbeing is at the top of our agenda for both students and staff and we were the first school in March 2019 to be recognised for the work that we do by Public Health England and signed the Prevention Concordat for Better Mental Health to show our commitment towards this. We were also the first school in the West Midlands to be awarded the Gold Award from the Carnegie Centre of Excellent Mental Health and an Ethical Leadership Pathfinder school.

There is a strong community feel at Burton Borough and the established smaller communities within the school ensure that our students reach their full potential. It is important to us that staff know each student and their families personally so that any potential issues are picked up quickly. In addition, we have vertical tutor groups with members from all years, which again contributes to a smaller community feel. Everybody supports one another and understands that when we work together, we instil a belief that we will achieve the best outcomes.

On top of all of this, a new modern £8 million building opened in June 2015 with the latest facilities to aid us with our teaching and learning. Due to our success, we have been asked to expand and a further £1.2 million has been invested in a new hall and extra classrooms which was completed in July 2019. Even with the increased student numbers from September 2019, we are heavily over-subscribed once again.

From the moment you walk through the doors at Burton Borough you will feel the vibrant, caring and supportive atmosphere. I look forward to meeting you if you decide that you want to join us on our exciting journey.

Yours sincerely,

# About the School

Burton Borough is a vibrant and exciting school to work in and our successes were recognised by our recent Ofsted inspection in March 2018:

- “Behaviour is good. Pupils are respectful, polite and well mannered. Relationships between pupils and staff are highly positive”
- “Pupils look smart in their new uniform, are punctual and well prepared for lessons. As a result, learning time is hardly ever wasted”
- “The prevailing culture of mutual respect prepared pupils well for life in modern Britain. Pupils work well and socialise well together, valuing and respecting others’ views”
- “The new principal is highly ambitious for the pupils. Leaders have a clear and accurate understanding of how to make the necessary improvements to pupils’ progress”
- “Safeguarding is effective”

As an inclusive school, our aim is to provide an excellent education for all students, no matter what their background, needs or abilities. To achieve this, we ensure that we continually adapt our practice and engage with research. This is an exciting time to join the school if you are someone who embraces change and enjoys trying out new things. You will also be someone who views working in education as the most important job in the world, and will therefore be prepared to “go the extra mile”.

## Your Professional Learning

We are very proud of our professional development opportunities in the school. All teachers, whether you are an NQT or Senior Leader, are expected to improve their craft in the classroom and to share their expertise with their colleagues. This will include the successful applicant to this post.

Our CPD provides personalised learning opportunities to support staff to meet their appraisal objectives and to help them move on to the next stage in their teaching career, whether that is securing the foundations during their NQT year or working with staff who aspire to leadership.

All staff are engaged in their own research projects that they will be sharing with the rest of their colleagues and publishing their findings in a journal. We believe the best CPD is CPD that is bespoke and tailored to your interests and needs. Research projects this year vary from subject specific research, wellbeing and mental health and leadership and management to name a few.

Our Safeguarding Policy, which applies to all staff, Governors and volunteers working in the school, has five main elements:

1. Ensuring we practise safer recruitment in checking the suitability of staff and volunteers to work with our students
2. Raising awareness of child protection issues and equipping students with the skills they need to keep them safe

If any member of staff has a concern that the school's code of conduct or expected safer working practices were not being followed, and a student or students were at risk as a result, then they would be expected and supported to raise the concern under the school's adopted 'whistleblowing policy and procedure'.

Our school also operates within other policies relating to safeguarding, child protection and the welfare of students.

To ensure that safer practice in recruitment is reflected at every stage of the recruitment process, our school operates within a Safer Recruitment Policy.
