

Headteacher Mr R Carter
DIOCESE OF ARUNDEL & BRIGHTON

Head of Department - Design Technology

MPR / UPR and TLR 2C (£8279)

Are you an inspiring and innovative leader ready to shape the future of Design and Technology?

St Paul's Catholic College invites applications for the role of Head of Design and Technology to lead our dynamic department from either the start of the Summer Term or September 2025.

We teach resistant materials, product design, food preparation, and nutrition, including provision at key stages 4 and 5.

About Us

St Paul's Catholic College is a high-performing, vibrant community dedicated to fostering academic excellence and personal growth within a faith-centered environment. Our mission is to educate and inspire, developing confident, compassionate leaders of the future. As a school rated 'Outstanding' by Ofsted, we pride ourselves on our commitment to innovative teaching and inclusive and supportive ethos.

The Role

As Head of Design and Technology, you will:

- Lead and develop the Design and Technology department, driving excellence in teaching and learning.
- Inspire and motivate students to achieve their full potential in Product Design, Textiles, Engineering, and Food Technology.
- Collaborate with colleagues to design a forward-thinking curriculum that equips students with the skills for the future.
- Oversee departmental planning, assessment, and resource management.
- Provide leadership and support to a team of dedicated teachers, fostering professional development and innovation.

What We're Looking For?

The successful candidate will be:

- An experienced and passionate Design and Technology teacher with a proven track record of success.
- A dynamic leader with the ability to inspire students and staff alike.
- Committed to upholding the Catholic ethos and values of the school.
- Skilled in curriculum design, assessment, and innovative teaching strategies.
- Able to build positive relationships and foster a collaborative team environment.

What We Offer

- A supportive and inclusive community rooted in faith and mutual respect.
- Opportunities for professional development, leadership development and career progression.
- Exceptional support personally to create an environment where you feel known, loved and supported.
- An innovative e-learning and iPad scheme to inspire students and encourage collaborative work between staff.
- Modern facilities, including fully equipped workshops and design rooms.
- Strong relationships across primary and secondary schools within [Bosco Catholic Education Trust](#).
- A comprehensive benefits package, including well-being support, discounted gym and home fitness, cycle-to-work scheme, salary sacrifice car scheme, free eyesight test, and voluntary pension contributions.

How to Apply

To apply, please complete the online application form on our website and submit it along with a cover letter outlining your vision for the future of Design and Technology at St Paul's Catholic College.

Closing Date: 27th January 2025

For further information or to arrange a visit, please get in touch with [Meg Matthews](#).

Join us at St Paul's Catholic College, where we 'inspire a living faith with hope and love'. We look forward to welcoming your application.
