The successful candidate will be an experienced individual with strong leadership and interpersonal skills that promote high quality teaching. We are looking for a motivated subject leader who will embrace our drive to ensure that Business and Economics are at the core of our curriculum and who has students' progress at the forefront of their teaching.

This is an opportunity for someone to take on the leadership of a strong, forward-thinking department, shape the curriculum and develop the department further.

If you are an experienced teacher or leader who wishes to take advantage of a new challenge and has the vision and drive for excellence then we would be delighted to hear from you.

Applications from those wishing to contribute to other aspects of school life outside the classroom are particularly welcome. We offer a secure, supportive environment, a full induction programme for all new staff and continuous professional development.

Hitchin Boys' School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. An enhanced DBS check is required for all posts.
