# WELCOME TO OUR SCHOOL

Many thanks for your interest in this post. We hope you find the enclosed information useful in making a decision about your application to join Shevington High School. Shevington High School is a growing, successful and popular high school. Over the last few years, the school has seen significant investment and improvement in all areas of the school.

Shevington High School is a popular 11-16 community school located in the village of Shevington. We are 3 miles from Wigan town centre and mere minutes from the M6 motorway. The school is smaller than the average size secondary school. We have 178 students in all years and are currently oversubscribed with a waiting list in Year 7.

Shevington is a thriving and vibrant school. We work incredibly hard as a team to support pupils to make excellent progress in their learning from their varied starting points on entry. The school has celebrated very good examination results over recent years and we pride ourselves on our constant drive for improvement.

We pride ourselves at Shevington in that we put the student at the centre of learning through the delivery of high quality teaching which enables all of our pupils to learn effectively. The school has a clear and well-articulated vision and intent for the curriculum and pedagogical approach in school, grounded on current research and methodologies nationally and internationally. This is drawn from the work we have been doing over the last 9 years on Student Agency in Learning in conjunction with Kunskapsskolan Schools (Sweden) for which we have been recognised as a KED inspired school.

The school has a robust teaching and learning strategy incorporating digital devices and using Google Classroom to enhance student learning. A distinct part of student life at Shevington High School is coaching. We see coaching as the key to personalised learning and putting students at the centre of their learning. Students attend coaching in groups of 4-5 students once a week. In the coaching session the students are encouraged to set weekly learning goals and reflect on progress made.
