# Head of Faculty: Design Technology and Art Recruitment Pack

## BUILDING BRIGHTER FUTURES

Our story is one of moral purpose. We are a learning community where everyone works collaboratively to plan, spread expertise and tackle challenges together — always focused on putting the needs of our students first. Together we build brighter futures.

### **Our Mission**

We aim to make a difference by raising the horizons and ambitions of everyone who learns, works, and lives within our diverse communities.

### **Our Values**

The Trust is committed to building brighter futures. This commitment is underpinned by three core values:

- Student's first
- It's about learning
- No barriers

### **Join Us**

This is an exciting time to become part of The Futures Trust. Every role here is more than a job — it's real, impactful work that makes a meaningful difference in the lives of our students and their communities. We offer trust wide career paths and invest in outstanding opportunities for our staff to learn, grow, and truly change lives.

## Job Description

### Job Purpose:

To provide professional leadership management and co-ordination needed to ensure the department is able to provide all students with high levels of personal achievement through the delivery of highly effective teaching and learning.

### Duties and responsibilities:

#### Strategic Direction:

- To develop and implement policies and practices which reflect the school's commitment to high achievement, and which are consistent with national and school strategies and policies
- To establish short-, medium- and long-term plans for the development and resourcing of the subject
- To monitor the progress made in achieving subject plans and targets, and evaluate the effectiveness of teaching and learning
- To produce an annual Department Improvement Plan

#### Lead:

- To recruit and select teaching and support staff, develop subject teams and individuals to improve and enhance performance
- To plan, delegate and evaluate work carried out by teams and individuals, with intervention work as appropriate
- To create, maintain and enhance effective relationships
- To develop staff through CPD and Performance Development Plan

#### Accountabilities:

- Teaching and Learning:
- Provide guidance on a choice of appropriate teaching and learning strategies
- Develop and implement systems by recording individual student progress
- Ensure schemes of work are developed appropriately
- Evaluate the quality of teaching and standards of achievement, whilst setting targets for improvement
- Plan and implement intervention strategies for individual students who are not making sufficient progress

## Duties and Responsibilities continued:

### Resource Management:

- Secure and allocate resources to support effective learning and teaching within the subject area(s)
- Monitor and control use of resources

### Knowledge and Skills:

- School improvement and effectiveness strategies including the processes and systems for quality assurance within subject area(s)
- Principles and practices in relation to managing learning and teaching, people, policy and planning, resources and finance
- Principles and practices of effective leadership and management of change
- The application of information and communications technology (ICT) to learning teaching and management of the subject area(s)
- Principles of curriculum planning
- Financial planning, stock inventory and resource planning
- The principles influencing current approaches to human resource management and coaching

### Line management

- To lead and manage the Faculty of Design Technology and Art.

### Professional Development

- Maintain personal professional development to ensure that the knowledge and skills required to fulfill the role of Subject Leader of Art and Design are up to date.
- Be a professional role model and understand and promote the aims of the School and the values of the Trust.
