Welcome from the Headteacher

Dear Colleague

Thank you for your interest in the position of Head of Food and Nutrition at Weald of Kent Grammar School – where we have a reputation for academic excellence, a focus on high quality pastoral care, guidance and support as well as superb extra-curricular provision.

Weald is an inclusive, happy and caring learning community that is ambitious for all of its students, seeking to ensure that they are challenged to make the very best of their abilities and to achieve success in all they do. All the staff, both teaching and support, play an integral role in achieving this.

Everything we do at Weald is underpinned by our three core values: curiosity, courage and compassion as well as our belief that ‘the whole child is our whole point’.

If you have the energy, passion and integrity to bring to this role, you can look forward to working with a highly qualified, skilled and committed staff team who work extremely hard for their students, and who are proud to teach at Weald of Kent Grammar School.

But most importantly, you will have the pleasure of working with the most inspiring students – the very best ambassadors and advocates for their school.

I hope you will want to learn more about the school by visiting our website [here](#) and that you are motivated to join our team and take Weald of Kent Grammar School to the next stage of its development.

Yours sincerely,

Richard Booth
Headteacher

Our School

Weald of Kent Grammar School is a selective girls academy (with a mixed Sixth Form) for approximately 1900 students aged between 11 and 18. The school operates across two campuses located at Tonbridge and Sevenoaks in West Kent. Students join the school from a range of areas around West Kent, East Sussex and Southeast London from a variety of different backgrounds.

Our students achieve at the highest level academically. In 2025, 60% of our GCSE entries were awarded 9-7 grades placing Weald in the top 10% of schools nationally for progress. At A level, 68% of our entries were awarded A*-B grades and the vast majority of our students move from Weald into higher education. Our students are highly able, motivated and a delight to teach. Students enjoy positive and co-operative relationships with staff, and it is very rare if an external visitor to the school does not comment on the high calibre of the students.

We are particularly proud of the work we have done to create a strong pastoral system, and students enjoy a comprehensive programme of PSHE throughout their time at school. This is taught by form tutors and ensures that strong relationships can be built and maintained. We encourage our students to be active and responsible citizens through a variety of charitable and community activities. The school operates a very successful House system, led by student House Leaders, which encourages integration between the year groups and provides leadership opportunities for students. Similarly, a strong Head Girl and Senior Prefect team and School Council ensure that the student body has a voice within the school and that younger students are supported. Currently we are launching a programme, involving our KS5 students, to help local primary schools with a range of outreach activities.

Outside of the classroom we are fortunate in having staff who provide a wide range of extracurricular opportunities for students, which is central to our ethos. Sport plays an important part in the life of the school, and we are successful at national and regional level in a number of sports including Trampolining, Rugby, Cricket and Athletics. Similarly, we have many opportunities for students to showcase and develop their talents in Music, Dance, Drama and the Arts, including an annual school variety performance and a range of different concerts. We enjoy a successful Duke of Edinburgh scheme, involving over 700 students. Our commitment to this ethos is reflected in our curriculum provision where a number of enrichment days are set aside, the timetable suspended, and students take part in a number of activities and events that allow them to develop and prepare for life beyond the school.

Our Sixth Form

We are proud of our thriving and ever growing Sixth Form that has an excellent academic reputation and provides first class guidance and support so that students enjoy a positive and successful post-16 experience and leave us well prepared for life beyond school.

With about 500 students in the Sixth Form, we offer an extensive choice of A Levels taught in excellent facilities by subject experts. Each year we warmly welcome a large number of external applicants who meet our entry requirements.

In addition to A Levels, students have the opportunity to take the Extended Project Qualification (EPQ) which develops skills of analysis and independent research, vital for success in undergraduate study. Students follow a wellbeing programme, including PSHCE and Physical Education provisions.

Weald Sixth Formers continue their education at some of the most prestigious universities in Britain and abroad. To support our students in achieving this, we run an extensive Higher Education programme that includes Oxbridge preparation as well as clear guidance on 'informed choices', Russell Group Universities and the UCAS process as well information about other pathways they may suit some of our students.

However, our Sixth Form is about so much more than excellence in academia, and we offer a wealth of leadership and extra-curricular opportunities. The prefect team are an integral and highly valued part of the Sixth Form. Lead by our two Head Girls they are a dynamic team who coordinate a large number of activities giving them brilliant leadership opportunities

Curriculum

We run a three-year KS3, although students begin their GCSE courses in Science in Year 9 allowing them to do three separate sciences at GCSE. At KS4, students study ten GCSEs, which includes a Modern Foreign Language and either History or Geography. In the sixth form most students' study 3 A Levels, with the most able being given the opportunity to study four. This is supplemented with the range of opportunities detailed above.

About the Post

Reporting to: Head of Design and Technology

This position is an excellent opportunity for an outstanding and inspirational Head of Food and Nutrition teacher to join our exceptional team. The post will involve teaching to Key Stage 3 and 4.

This post would ideally suit a colleague who is looking for a new challenge and wishes to work with highly motivated, extremely engaged, enthusiastic and able learners. If you are keen to develop further as a practitioner and wish to extend your repertoire of teaching and learning strategies, then Weald of Kent would be a perfect fit for you. In addition to the opportunities to develop your practice within the classroom, the school offers an extensive range of professional development support including a bespoke package for those interested in working towards their next career step.

The Team

The Design and Technology team currently consists of a Head of Department; two part time and one full time specialist teachers of Design and Technology, three part time Food and Nutrition teachers and three full time technicians over the two sites. There is a supportive and collaborative ethos within the department, and we are always open to new ideas. We regularly reflect on our delivery to ensure our students gain the best experience and aim to enthuse creative problem solving. Weald of Kent students are driven, inquisitive and committed to learning. Our results at both GCSE and A Level are excellent and we frequently outperform other schools in our specialist areas. Food and Nutrition has achieved exceptional results over a number of years and is a popular subject at Key Stage 4.

At Key Stage 3 students develop a broad framework of skills and knowledge across a wide range of Design and Technology and Food and Nutrition disciplines. This provides a strong foundation which enables students to make an informed choice to specialise in one discipline at GCSE. At present, in Key Stage 4, we follow the Eduqas Syllabus and offer full GCSE courses in Food and Nutrition, and Design and Technology. In addition, we have a thriving A-Level group following the Product Design pathway.

The purpose-built Technology block was opened in September 1999 and comprises of two workshops (one with heat treatment facilities); two clean rooms (one of which houses the laser cutter) each with a suite of 21 computers and additional working space; and a recently refurbished (Summer 2015) Food and Nutrition room. Our Sevenoaks site opened in September 2017 as a purpose built, benefitting from brand new classrooms and facilities.

Our Commitment to You

Staff are our most valued asset, and we place a high emphasis on staff well-being and professional development, no matter what stage of your career you are at. Safeguarding Duties and Responsibilities

This role is a teaching or teaching support role involving extensive contact and responsibility for children.

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be expected to uphold this duty and be responsible for promoting and safeguarding the welfare of children and young persons for whom they are responsible, or with whom they come into contact, and so to adhere to and ensure compliance with the school's Safeguarding Policy at all times and complete appropriate training. If in the course of carrying out the duties of the post the post-holder becomes aware of any actual or potential risks to the safety or welfare of children in the school, they must report any concerns to the school's Designated Safeguarding Lead or to the Head.

Applicants will be required to undergo child protection screening appropriate to the post. Since this role involves 'regulated activity' with children, the successful applicant will be required to complete a Disclosure and Barring Service (DBS) disclosure application. Employment will be conditional upon the School being satisfied with the result of the Enhanced DBS check and the outcome of all the other checks.

The School will also carry out a check of the Children's Barred List on the successful applicant. Applicants should be aware that it is unlawful for the School to employ anyone to work with children if they are barred from doing so, and it is a criminal offence for a person to apply to work with children if they are barred from doing so.

This role is also exempt from the [Rehabilitation of Offenders Act 1974](#) and the School is therefore permitted to ask shortlisted applicants to declare all convictions and cautions (including those which are 'spent' unless they are 'protected' under the DBS [filtering](#) rules) in order to assess their suitability to work with children.

Please read our [safer recruitment policy](#), [recruitment of applicants with a criminal record policy](#) & [Equal Opportunities and Diversity policy](#) before completing your [application](#). Please also be aware of our [Safeguarding / Child Protection Policy](#).
