# Dear Candidate,

Thank you for your interest in joining our community as a Head of French. The information here gives a brief sense of our school. Equally, you are most welcome to arrange time to visit.

Langley Park School for Girls, part of Impact Multi Academy Trust, is a large secondary comprehensive school in Beckenham. We have 1,200 girls in Year 7-11 and a large co-educational sixth form of 400-500 students. We proudly draw from a large number of boroughs and schools in our sixth form creating a diverse and vibrant community.

LPGS has a proud history and is an exciting environment in which to work and study. The arts are highly valued and invested in and staff and students alike enjoy the wide range of opportunities available: our dynamic careers academy and huge range of clubs, societies, groups and trips.

We have an ambitious and broad curriculum, for example:

- All Year 7 students learn an instrument for a term as part of our music scheme to widen access and participation.
- KS3 students enjoy Dance and a Visual Arts rotation of art, textiles and digital media.
- We have a wide range of clubs, societies, educational visits and exchanges as part of our enrichment programme.

We achieve positive academic results whilst also focusing on student wellbeing and mental health.

If you would like to be part of our school community, we would welcome your application.

Kind regards,

**Steve Whittle**  
Headteacher

# Life at LPGS

My daughter really benefited from the healthy and sustained pastoral support at the school – mental health and wellbeing are not treated in a tokenistic, one-off kind of way.

*Parent*

When you have a child who is on the SEN register, it can sometimes feel like pushing water up a hill, but the SENCO explains everything so well, makes it clear, and that is because he cares.

*Parent*

I felt the sense of community, we were all one team with one common goal of just achieving great things, and we were all willing to help each other. That's what really drew me to here.

*Sixth Form student*

Pupils flourish into independent, confident young adults at this school.

*Ofsted*

My students and colleagues make me laugh and I look forward to coming into work due to their hard work and fascinating insights.

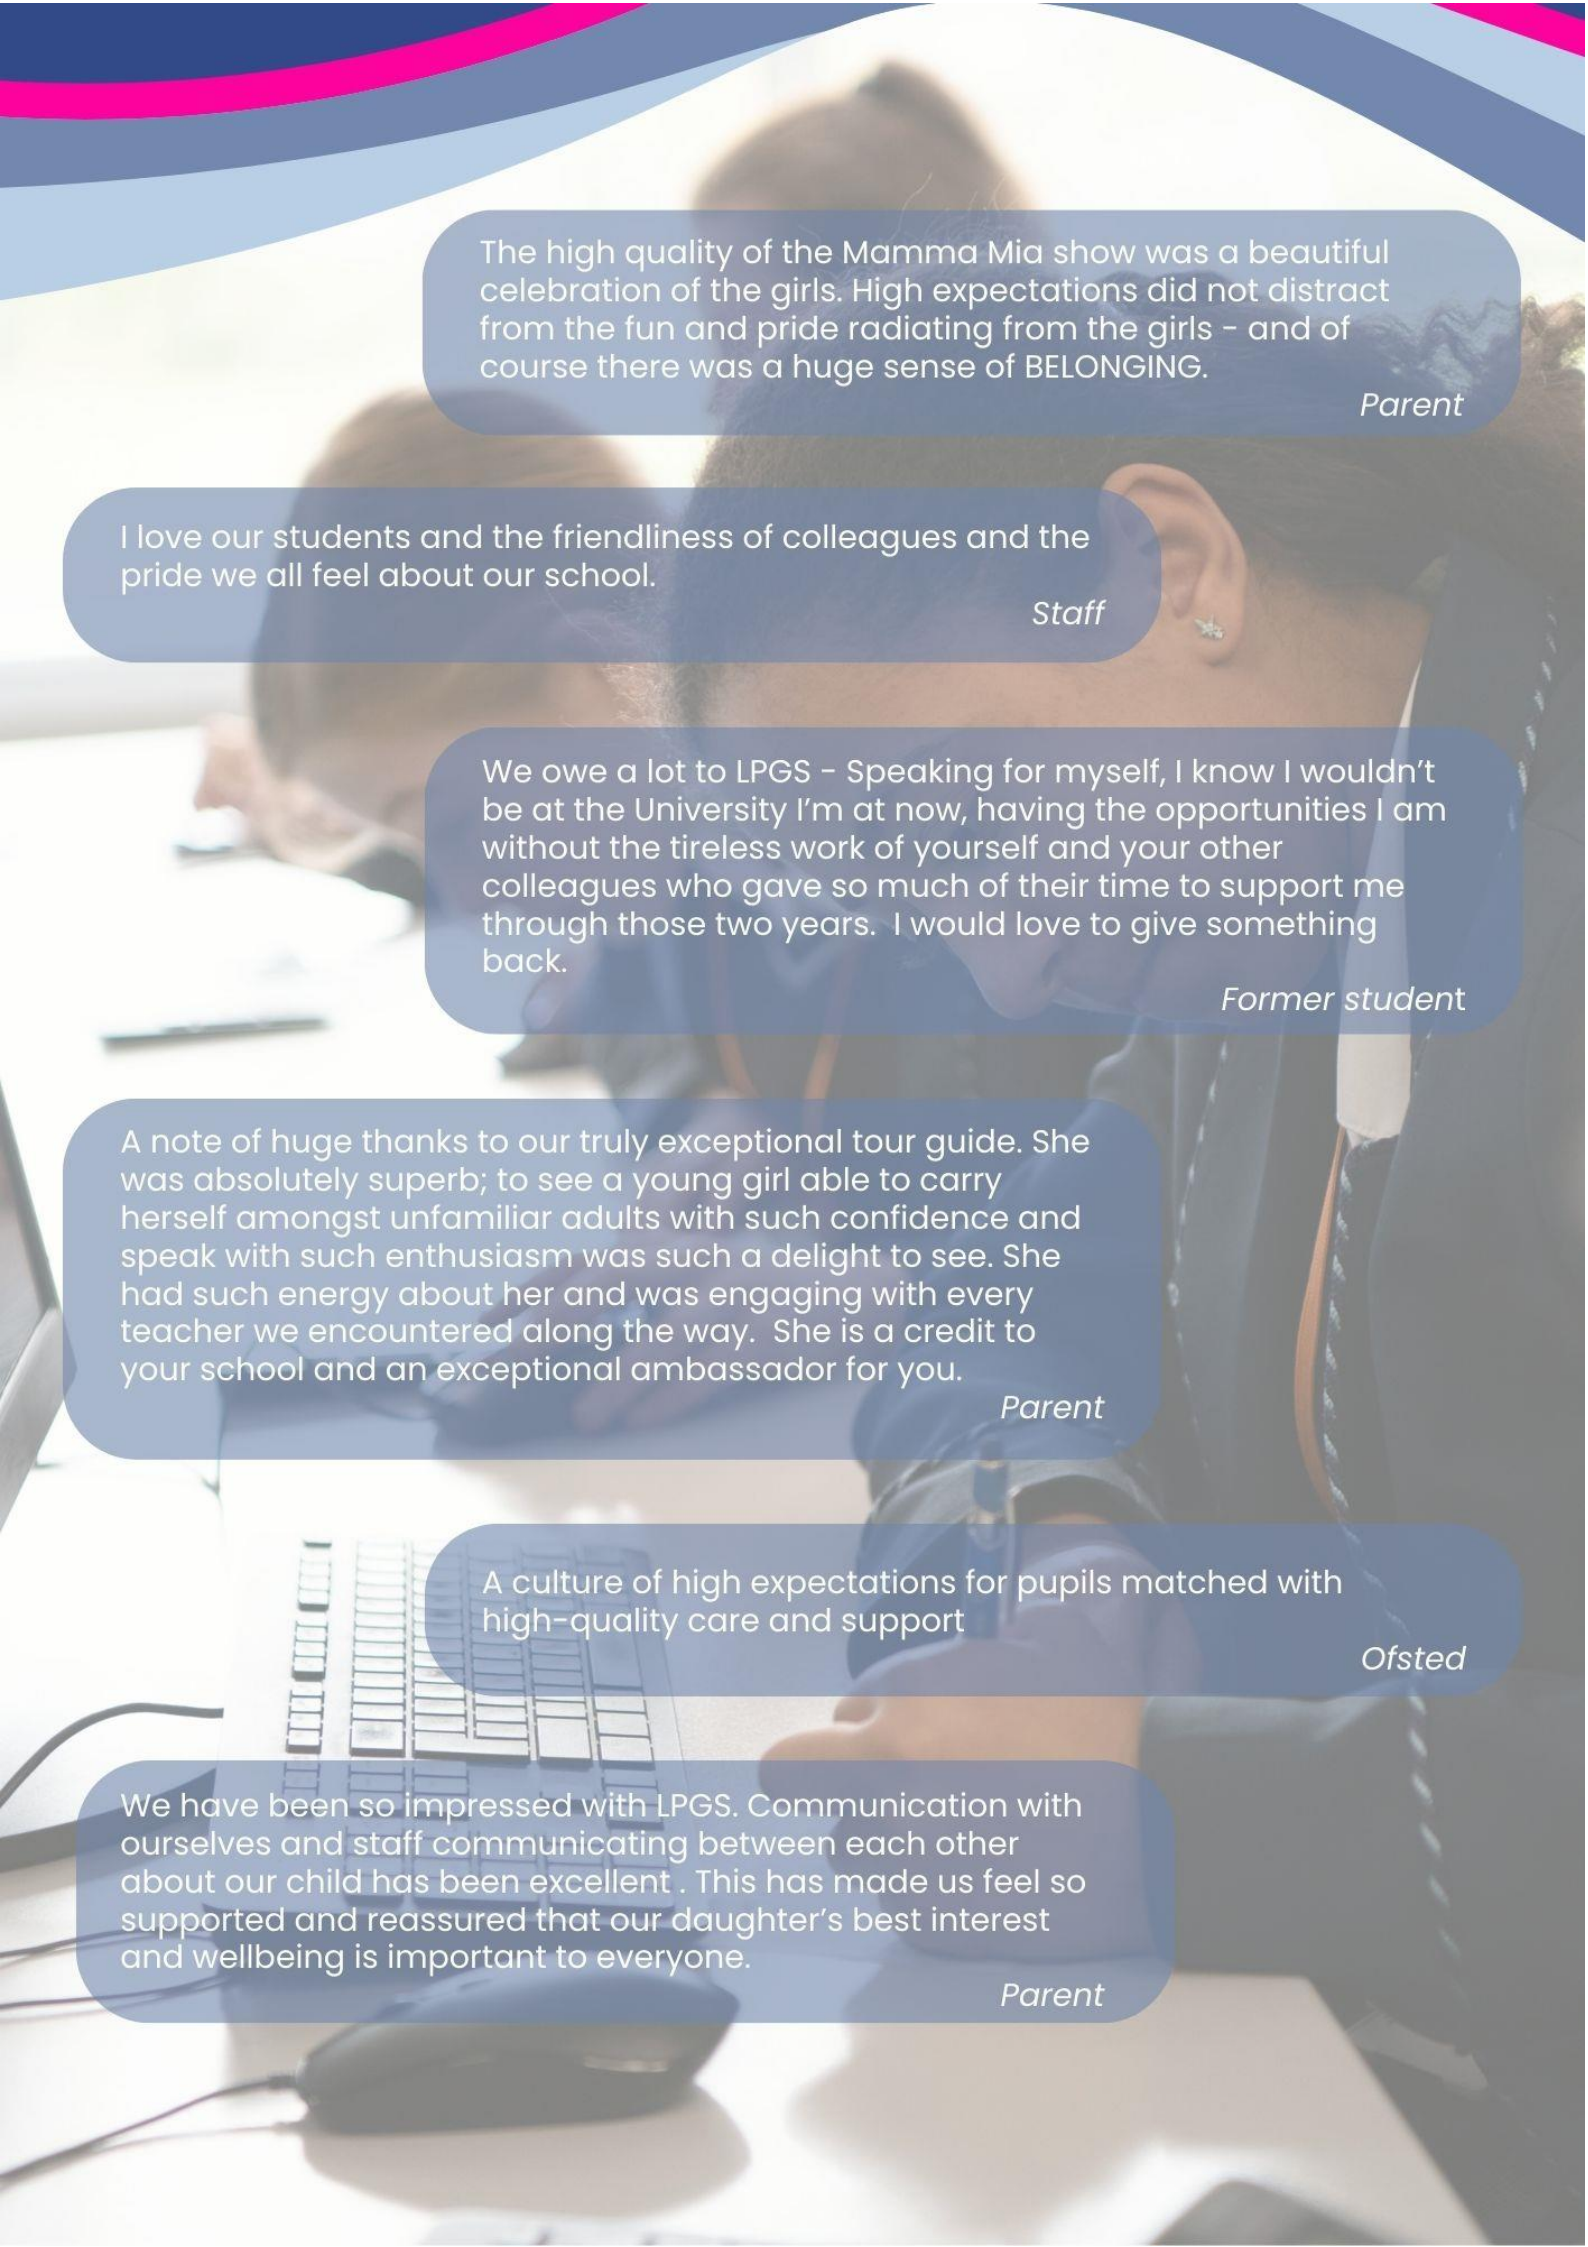

*Staff*

The quality of teaching at this school is nothing short of outstanding. Staff have always been there to fully prepare us for exams and have always gone out of their way to provide us with a high standard of education. The Sixth Form community is extremely friendly and diverse and is a community of individuals who are keen to succeed and help one another.

*Student*

We are sure our daughter learned a lot about teamwork, perseverance and the joy of adventure thanks to your thoughtful planning and engaging activities on this trip.

*Parent*

The high quality of the Mamma Mia show was a beautiful celebration of the girls. High expectations did not distract from the fun and pride radiating from the girls - and of course there was a huge sense of BELONGING.

*Parent*

I love our students and the friendliness of colleagues and the pride we all feel about our school.

*Staff*

We owe a lot to LPGS - Speaking for myself, I know I wouldn't be at the University I'm at now, having the opportunities I am without the tireless work of yourself and your other colleagues who gave so much of their time to support me through those two years. I would love to give something back.

*Former student*

A note of huge thanks to our truly exceptional tour guide. She was absolutely superb; to see a young girl able to carry herself amongst unfamiliar adults with such confidence and speak with such enthusiasm was such a delight to see. She had such energy about her and was engaging with every teacher we encountered along the way. She is a credit to your school and an exceptional ambassador for you.

*Parent*

A culture of high expectations for pupils matched with high-quality care and support

*Ofsted*

We have been so impressed with LPGS. Communication with ourselves and staff communicating between each other about our child has been excellent. This has made us feel so supported and reassured that our daughter's best interest and wellbeing is important to everyone.

# Impact Multi Academy Trust (IMAT)

We believe that being a Trust with both primary and secondary schools is an enormous asset, since it enables us to share our expertise and knowledge, learning from each other to improve the education of children from ages 4 to 18. We have high aspirations for our students that attend Impact Multi Academy Trust schools. We also have high expectations about what they will receive from, and contribute to, their education.

We believe strongly in educating the whole child. We offer our students the highest quality academic education, delivered within a broad, balanced and rich curriculum; alongside which our schools offer a wide range of high quality extra-curricular opportunities, with music and sport a particular strength.

The heads, senior leaders and colleagues actively meet and collaborate – this work is furthered by our Curriculum Strategy Leads.

Our Trust, as it is today, was formed in September 2022 and currently comprises seven schools:

- Clare House Primary School
- Hawes Down Primary School
- Langley Park Primary School
- Langley Park School for Boys
- Langley Park School for Girls
- Ravens Wood School
- Hayes School

# Staff Wellbeing

Our commitment to this is captured in our Staff Wellbeing Charter which you can read in detail [here](#) and includes:

CPD – we invest in our staff and in ourselves through a [professional growth](#) approach to appraisal that prioritises our improvement as teachers over data-driven targets

Respectful relationships are at the heart of how we approach others in our community: staff and students.

We take a conscious work-load focused approach to marking (no onerous expectations), data drops and parents' evenings.

A deliberate and moderate approach to emails and communication, using scheduled staff communications instead of lots of emails and no expectation that staff respond outside of their working hours.

Trained Mental Health First Aiders to support staff and a comprehensive Employee Assistance Programme that includes 24 hour support line, swift access to counselling and a wide range of advice and support via the Wisdom App.

# The Modern Foreign Languages Department

The Modern Languages Department at Langley Park School for Girls comprises nine full and part-time teachers with a passion for inspiring our young people to develop a love of languages and linguistic competence. All students study two languages in KS3 (German and French/Spanish) and all/almost all students study at least one language at KS4.

## **Our curriculum purpose:**

**We believe that every child can be a successful language learner.**

Languages significantly improve our quality of life by opening up social and professional opportunities and broadening our understanding of the world. Through languages we become successful global citizens with a social conscience. They help us appreciate and celebrate our diverse cultural identities.

Our curriculum has a strong focus on mastery and communication, and our pedagogy is informed by current research into cognitive science and how our memory works.

In lessons, students build a strong understanding of phonics, vocabulary and grammar through a wide variety of engaging activities. They practice speaking, writing, listening and reading with the use of accessible materials and through teaching tailored to the students' individual needs.

The faculty consists of experienced linguists from a range of cultural and professional backgrounds, which enables us to support and inspire our students. We want to empower students to become confident communicators and future leaders.

Students learn through topics which are related to their lived experience and the world around them and allow them to express their views and opinions. Examples include family, holidays, technology, healthy lifestyle and free time activities.

We strongly believe in the value of educational visits and extra-curricular activities as a way of engaging students with the wider cultural benefits of language learning.

We have well established exchanges with schools in Germany, Tenerife and France. Additionally, we celebrate European Day of Languages by holding events for the whole school. The Year 7 Song Competition held at the end of the Summer Term is a celebration of the huge amount of learning which has taken place during the year and is something students often remember fondly in later years.

Our new GCSE cohort is studying the Pearson (Edexcel) specification in French, German and Spanish. At A-Level, we study the Pearson (Edexcel) course.

In 2024, our students attained highly at GCSE in all three languages.

	Grades 7-9	Grades 4-9
French	29%	78%
German	29%	90%
Spanish	100%	100%

At A-Level, in French 63% of students attained A\*-B grades with 89% and 100% achieving similarly in Spanish and German respectively.

This post offers the opportunity to join an established, friendly and successful team.

The successful candidate will have high expectations of themselves and of all students. The post requires enthusiasm, a love of French, effective communication skills and excellent classroom practice.
