

May 2022

Dear Colleague,

## **Head of Geography (TLR 1b £8,331 p.a.)**

Thank you for your interest in this post which is key to the future development of the school. Geography is a very successful and vibrant department and we are looking for a colleague to take it on to even greater levels of success.

Geography is one of the most popular options at GCSE with over 100 signed up for next year's Year 10. It is equally popular at A-level and a number of students go on to graduate level courses every year. There is a real "buzz" about geography and the department has a rich extra-curricular offer.

Balcarras is an excellent place to teach. We have friendly staff, pupils who are keen to learn and parents who are very supportive of the school. We work in attractive buildings, superbly equipped, on a beautiful site. The accommodation for Geography is excellent with modern classrooms and a computer lab.

I hope that having read all of the details and perused our website you will be keen to apply. Please submit your application by **Monday 23<sup>rd</sup> May 2022**. Interviews will take place on Thursday 26<sup>th</sup> May 2022.

I look forward very much to hearing from you.

**Headteacher**
