Aiming Higher – Promoting Harmony – Achieving Excellence

Letter from Andy Stainton, Headteacher

Dear Colleague,

Thank you for your interest in joining our community as Head of Geography.

We are looking for an enthusiastic and innovative leader of Geography, with strong interpersonal skills and a commitment to achieving high standards within a thriving department. The successful candidate will have a strong academic background and be an excellent classroom practitioner who is capable of inspiring and motivating students. The successful applicant will have ultimate oversight of the Department and lead the Deputy Head of Geography.

We are a very popular subject and large numbers opt to study the GCSE. We study the AQA syllabus at GCSE and have impressive results. We take our GCSE students on a compulsory residential 3-day trip, usually to Wales, to complete their fieldwork requirement for the exams. At A-level we study the Edexcel Specification and are equally popular. We currently have two sets in Year 12 and 13.

We are proud to be bucking national trends as more girls than boys take our subject at A-level. We take the students on a 3-day compulsory residential trip to Southwold to complete their NEA and a 1-day visit to the redevelopment at Brent cross and Colindale. In addition, we also run a workshop with Urban Plan to develop their decision making and teamwork skills.

We are committed to supporting staff wellbeing in a variety of ways. The good working relationships within the staff body, and between staff and students is why many colleagues have chosen to stay with us for the long term. We subscribe to an Employee Assistance Programme run by Education Support, which is free to all staff, alongside GymFlex, offering reduced prices for gym memberships. We are also strong in supporting staff career development and colleagues are successful in securing promotions at all levels. We support colleagues in pursuing NPQs and offer a secondment programme onto the Senior Leadership Team for middle leaders. We are currently consulting staff and parents about introducing a two-week October half-term, starting in 2025.

Although we achieve excellent results year on year and are heavily over-subscribed, we are not complacent. We know there is always more to do, and we work together to continuously reflect upon our successes and areas for development. We are keen to hear the voices of all our stakeholders.

Mill Hill County is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, transgender status, religion or belief, marital status, or pregnancy and maternity.

Admission into Year 7 is offered to children of staff with two or more years' service.

If you feel that Mill Hill County High School is the right environment for the next step of your career, we would be delighted to receive your application. If you would like to visit us before applying, we would be happy to see you. Please contact Amanda Leonard, my PA, to make an appointment.

Kind regards,

Andy Stainton
