Thank you for your interest in joining our school. We are on an exciting journey to become a nationally leading school and are looking for ambitious people who believe that children can succeed no matter what.

At MAP, we are driven by a clear and ambitious core belief: every student who joins us has the potential to get to and through university. We combine academic rigor with a joyful learning experience, ensuring our students gain the knowledge, experiences, and support needed to achieve their dreams. We are known for our super high expectations for behaviour and academics, and believe that consistency, politeness and discipline underpins wellbeing and achievement. We also love to foster a joyful, supportive culture. We value strong relationships and recognise student achievements to help them reach their full potential.

We also prioritise staff well-being, offering work-life balance, professional development, and collaboration through the Ted Wragg Trust. We are proud to have nationally recognised for our commitment to staff wellbeing and workload reduction. Benefits of working as a teacher at MAP include:
