We are seeking outstanding teachers with a proven track record of success and raising pupil outcomes to lead the next stage of our development from middle school to secondary school as heads of department in: English, Design and technology, Computing and History

Henlow Academy is at a very exciting time in its development. Transitioning from a middle to a secondary school (with our first Year 9 students in September 2021) the successful candidates will have a significant influence and play a lead role in developing best practice and providing excellent provision for a larger number of young people.

The successful candidates will:

- Be passionate and enthusiastic practitioners
- Have a proven track record of impact on student progress
- Have recent experience of teaching GCSE
- Be keen to promote and further expand their subject and enhance uptake at KS4
- Committed to continued professional development and exploring new teaching methodologies
- Dedicated to the pastoral care of all young people
- Promote our school Christian values and ethos
