

Dear Candidate,

Thank you for expressing an interest in the post of Head of Humanities- with Geography specialism 0.8 fte at Clapton Girls' Academy.

We are an outstanding 11-19 academy. We prioritise high quality learning and teaching to ensure successful student achievement. Our students are keen to learn and a pleasure to teach. We provide a warm and welcoming learning environment with a strong team of committed teachers and support staff. Staff can develop their teaching practice through a number of opportunities, including ongoing CPD, access to a range of courses and through our status as a leading member of the Hackney Teaching Schools Alliance (HTSA).

The Humanities faculty is a dynamic and thriving department encompassing History, Geography, Religious Education, and Government and Politics. As a large and dedicated team of staff, the faculty attracts extensive uptake from students at both GCSE and A Level, reflecting the high quality of teaching and engaging curriculum on offer. Our students consistently achieve outstanding outcomes, with many progressing to some of the country's most prestigious universities and competitive apprenticeship pathways. The faculty prides itself on being forward-thinking, supportive, well-resourced, student-focused and progressive, fostering critical thinking skills and cultural awareness that prepare students for success in higher education and their future careers. The collaborative approach within the team ensures that students benefit from cross-curricular links and a rich, interconnected understanding of the human experience across time, place, and society.

We are looking for staff who are committed to developing confident and capable learners. We expect hard work, skill and dedication, and in return will provide an excellent working environment, competitive rates of pay and a comprehensive staff benefits package.

We are proud of our stance as an anti-racist school and recognise the importance of having a staff body that reflect Hackney's rich and diverse community. If you have the experience and passion to be an inspirational role model for the next generation of female leaders, then we want to see how we can support you in that pursuit. We particularly welcome applications from people from groups who are under- represented amongst teaching staff. We want the best staff, and we know that means a diverse staff.
