Head of Mathematics

TLR1 (£10,966) + Main/Upper Pay Scale (including OLW)

We seek to appoint a full-time, well-qualified, enthusiastic graduate of Mathematics as Head of Department from September 2022. The post arises as a result of the retirement of the current postholder. This is a rare opportunity to lead one of the most successful departments in the only fully IB school in a South East London borough, a grammar school with a reputation for excellence.

As you would expect, Mathematics at Bexley Grammar has a high profile across the school. This is an exciting opportunity to lead and work with well-motivated and intelligent young mathematicians and their teachers. The Mathematics department is large and housed in a suite of rooms. It achieves excellent results on a routine basis under the current leadership of a well-established Head of Department, a second in department and a Key Stage 3 leader. The department consistently achieves excellent examination results at both Key Stage 4 and 5. All students (over 420 across Year 12 and 13) study Mathematics in the Sixth Form as part of the International Baccalaureate Diploma Programme. Candidates with ability/experience in teaching A level Mathematics will find themselves at home in the IB classroom.

The Mathematics Department consists of 8 full-time members of staff. All of our colleagues teach from Year 7 through to Higher IB. The successful candidate will be able to deliver Mathematics to Higher IB and Oxbridge entrance level. The Department has a highly collegiate and supportive atmosphere.

Bexley Grammar School is an oversubscribed, high achieving, coeducational selective school with Academy Status. As an IB world school with excellent resources, a thriving Sixth Form, Specialist College Status in Mathematics, Science and Languages, and a wealth of extra-curricular activities, this school provides an exciting and enriching educational experience for all.

Further details about the school and an application form are available on the school website (www.bexleygs.co.uk).

Closing date for applications is noon on Tuesday 25th January 2022. It is anticipated that interviews will take place in the week commencing Monday 31st January.

Bexley Grammar School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

This post is considered to be a customer-facing position; as such it falls within scope of the Code of Practice on English language requirement for public sector workers. The school therefore has a statutory duty under Part 7 of the Immigration Act 2016 to ensure that post holders have a command of spoken English sufficient for the effective performance of the job requirements. The appropriate standards are set out in the person specification. These will be applied during the recruitment/selection and probationary stages.

Intellect, empathy, courage

developing compassionate leaders
