The Outwood Family of Schools

Lee Wilson
CEO

It's great to hear that you are considering joining us as part of the Outwood Family of Schools! As CEO, I'm proud to lead a dynamic and values-driven organisation where your passion for education can truly make a difference.

We are a collaborative network of 41 academies across the North of England, all dedicated to providing a world-class education for every child, from 3 to 18. We're not just a collection of schools; we're a family, sharing expertise, challenging each other, and celebrating our collective successes.

At Outwood, we believe in igniting a spark in every student, and that starts with inspiring our staff. We foster a culture where everyone feels valued, empowered, and supported to reach their full potential. We live by our five core values: ambition without limits, breaking down barriers, turning our best into our normal, making every interaction count, and always remembering that we are a family.

We know that a career in education is more than just a job; it's a calling, a passion, a journey. That's why we're committed to supporting your development every step of the way. Whether you're just starting your career or looking for the next exciting challenge, Outwood offers a wealth of opportunities to grow, learn, and make a lasting impact. This might be the role that sparked your interest today, but who knows where your Outwood adventure will lead you?

But most importantly, at Outwood, we believe that **children always come first**. Every decision we make, every strategy we implement, and every lesson we teach is driven by a single goal: to ensure that our students are **ambitious, thriving in great schools, within strong communities**.

If you share this belief and are ready to be part of something truly special, I encourage you to apply for this position and begin your Outwood journey.

Carolyn Blundell
Community Executive Principal

As the Community Executive Principal, I'm excited to share why joining our team offers a unique and rewarding experience that goes beyond working in a single school - if you choose to become a part of the team you will influence the lives of over 6,000 young people; shaping their futures by raising standards and transforming lives.

Imagine being part of a supportive network of four Outwood academies across Nottinghamshire and Sheffield, where collaboration and innovation are at the heart of everything we do. This is what it means to be part of our Outwood community, and it's something I'm passionate about fostering in my role. Across the learning community we host joint senior team meetings, schedule regular learning walks in different schools for colleagues (at all levels), work with local businesses to secure student opportunities and enrichments and are constantly developing mechanisms for working with parents. We have fostered a culture of sharing the very best practice across the community and are committed to providing world class professional development for teaching and support staff.

With us, you will have the opportunity to:

- **Connect and collaborate with colleagues across multiple schools:** Share best practices, participate in joint projects, and learn from a diverse range of experienced professionals.
- **Develop your skills and expertise:** Benefit from a wide range of professional development opportunities and contribute to a dynamic learning community.
- **Make a bigger impact:** Your contributions will extend beyond your own classroom, and school, influencing and supporting colleagues and students across the community.
- **Be part of something bigger:** Experience the strength and support of a close-knit community within the larger Outwood family.

I work closely with each academy in our community to facilitate this collaboration, ensuring that we are sharing our strengths, learning from each other, and constantly striving for improvement. This creates a truly unique and supportive environment where everyone can thrive. We also look to extend and enrich the lives of our students ensuring they too benefit from being part of a wider 'community' than the one in which they live.

This is more than just a job; it's an opportunity to be part of a dynamic and supportive network where you can truly make a difference.
