Welcome to The Shared Learning Trust

Firstly, let me start by thanking you for taking the time to read our information pack and allowing us the opportunity to tell you more about The Shared Learning Trust.

I first began working for The Shared Learning Trust, as Principal of The Stockwood Park Academy in 2009. Since then, the trust has grown from strength to strength employing some 500 fantastic staff members who serve over 3,700 children within our communities. It is my privilege to be CEO of our family of schools and work with each Principal or Head of School to ensure the best possible education in their own Academy.

Our ethos is simple, to build a collaborative partnership of academies and schools that will provide exceptional educational provision, both in and outside the classroom for all our children. Our academies ensure students are supported, monitored and encouraged to experience will be challenging, rewarding and memorable. Students enjoy their time at our academies and give back to the wider local community. They are role models and young leaders, who contribute to the collegiate ethos with maturity.

Cathy Barr, CEO

We recruit people for attitude and train for skills

We aim to recruit outstanding people who have the right attitude. If you have a love for teaching and are passionate about seeing children succeed, we would love to hear from you!

Recruiting the right teachers and staff help us to achieve the goals we set for our children. We are always keen to hear from educators who are passionate about working for the schools and communities we serve. We would rather make no appointment than appoint someone who does not share the same positive ethos that runs through our Academies. For this reason, we try to clearly articulate our vision, values and expectations when putting together information for applicants.

We aim to recruit staff who

- are excited by their role and by the prospect of working with young people, even those who are less motivated;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands rather than complaining;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- see break duty as an opportunity to talk to children;
- are quick to praise and slow to criticise; and are not afraid to admit to seeing themselves as potential leaders of the future.

I am conscious that this may be your first contact with our Academy Trust and first impressions are very important. I hope what you read; coupled with anything else you discover about us, inspires you to apply for this post.

With best wishes,

Cathy

Teacher Testimonials

I was appointed as the Senior Head of Year in November 2019. As a Pastoral Team we work hard to meet the varied needs of our students, firstly via the Tutors who are our 'face' of pastoral care. Our Heads of Year work closely to guide and support the Tutor teams, whilst maintaining an over view via liaison with Teachers, Faculty Leads, SEN, careers teams and our School Nurse. This robust approach ensures we support student's attendance, medical and learning needs, all with the aim to motivate and enthuse TSPA students to be their very best. Our pastoral care is firmly centred on encouragement and providing the stepping stones required to make progress, both academically and in terms of the student character. We want TSPA students to believe that they can realistically improve their academic outcomes and create pathways to a very successful future. For students who require greater support, we have a dedicated team of Pastoral Support Officers. The PSO team deliver Behaviour Modification sessions to help students make positive choices and manage their emotions and feelings healthily. Where a student requires more specific support, the PSO team work closely with attendance, safeguarding and refer to our in house Mentor and Conflict Resolution Manager as well as external organisations. Our pastoral systems have ensured that we have supported many struggling young people to return to the classroom to actively learn. We work daily to support basic physical needs, emotional needs the mental health needs of our TSPA students, resulting in them improving their engagement within the classroom.

- Leigh-Anne Hussain, Senior Head of Year, Pastoral Care

I've been fortunate to develop throughout my career at the Stockwood Park Academy. Since joining as an NQT History teacher, I have led teams as Head of History, Head of Humanities and been a member of our internal Teaching & Learning Team. Most recently, I have had the honour of being responsible for the development of teaching across the academy as Assistant Principal. We strive for every lesson to make a difference and recognise the importance of keeping abreast with the latest educational research and evidence to inform our teaching. We have worked hard to develop a common language across the school when discussing teaching and learning and believe that the teacher is the expert in the classroom so we put our faith in our colleagues to deliver in ways that will benefit our students the most. We support colleagues with a range of high quality internal and external professional development opportunities whilst seeking the best ways to further improve what we do best; teaching students so they can master the subject knowledge and skills that we care so passionately about.

- Joel Toomer, Assistant Principal

My experience as an NQT at Stockwood Park academy has been incredible. The standout reason has been the excellent support and training supplied as part of my NQT induction by the Teaching and Learning team who have drawn on an immense wealth of collective experience and cutting edge research to create CPD sessions that have and will aided my development as a teacher and will do for many years to come. Supporting this has been the unfaltering support from my NQT mentor who knows the school so well is on hand at all times to offer support and advice. My favourite aspect of being a teacher at Stockwood Park has been the friendly, positive atmosphere that is created by staff and students alike, and there is never a dull day. The incredible expertise of both teaching and non-teaching staff is complemented by the rich, exciting curriculums designed by passionate educators, who are simply seeking to give the best possible education to the charming and respectful students who make every day a pleasurable experience. There are a wide variety of backgrounds and experiences to listen to and learn from, and sometimes I find the students teach me.
