

The Ashcombe School

CANDIDATE INFORMATION 2025

WELCOME TO OUR SCHOOL

A Message from the Headteacher

Thank you for being interested in The Ashcombe School – we want to attract and retain the best people with the most potential and in return offer a stimulating and worthwhile environment and great opportunity.

The Ashcombe School is a genuinely comprehensive school with high academic standards for all, a strong and caring pastoral system, and a wide range of extracurricular activities aimed at preparing and enabling young people to lead fulfilled lives.

We are very proud of our students and what the school can help them achieve, and are not only ambitious for our students but for our staff as well - this is an exciting opportunity to join a widely recognised, friendly, welcoming and supportive team and to take advantage of the many developmental and other opportunities we provide.

I hope that this pack will give you a positive and meaningful insight into the life of The Ashcombe School and that you will take the opportunity to join us online and visit to experience it for yourselves. I am very much looking forward to meeting and working with you.

About The Ashcombe School

Overview

The Ashcombe School is a high-achieving genuinely comprehensive school with a very successful Sixth Form and is a vibrant and inspiring place to work. We continually look to support exceptional pastoral care, high levels of attainment across the ability range and provide an enviable range of extracurricular activities to prepare and enable young people to lead fulfilled lives.

Ethos

The core elements of our ethos are focused on providing a caring environment that enables every individual within the school to realise their potential:

- We are a fully inclusive school that focuses equally on students of all ability levels.
- We provide a calm and welcoming environment with a significant emphasis on pastoral care.
- Our community is based on mutual respect and high quality teacher-student relationships.
- We encourage a culture of self-betterment for all who work at the school, with high quality training and development opportunities for all staff.
- The school operates a no-blame culture that emphasises the importance of collaboration and mutual support.

We strive to create well-rounded individuals, believing that great education is about much more than the lessons we deliver in the classroom.

What we do every day

- Curiosity and challenge
- Compassion and decency
- Consistency
- Courage

"The school has an ethos which matters"

About The Ashcombe School

Structure

With almost 1500 students, including 290 in the Sixth Form, and over 170 teaching and support staff, the school is at the heart of the community in Dorking, and benefits from a spacious and attractive setting at the foot of Box Hill.

Our key successes include:

- High value-added scores across the full breadth of subjects and ability ranges
- A long tradition of students gaining places at Oxbridge and Russell Group Universities
- A student-centred approach for pastoral care and careers support
- A thriving Sixth Form, encouraging a wide intake where we believe students have the ability to succeed at A Level
- Many high-quality events which link students, staff and the whole community.

Our most recent OFSTED in May 2024 highlighted the continuing strengths of the school for staff and students - they said: ***"Staff are proud to work here, and there is a great sense of teamwork. Leaders take exceptional care of staff well-being and workload, enabling staff to concentrate on continuing to develop the education the school offers."***

We are part of a small independent Multi-Academy Trust (South East Surrey Schools Education Trust - 'SESSET') comprising three secondary schools: The Ashcombe School, Therfield School in Leatherhead and Carrington School in Redhill. The Trust was established in 2017 and allows the schools to benefit from an overarching supportive umbrella whilst still retaining their unique character and ethos.

"Vision for an academic curriculum, supported by high quality teaching and learning...is shared by all staff at the school"

About The Ashcombe School

Our core aims

The school is highly regarded and oversubscribed as a direct result of its outlook, approach and values as demonstrated by its academic results, standards of teaching and outstanding pastoral care. The four strands which inform teaching and learning for staff and students are:

- **Learning knowledge - Curriculum and its delivery**

We will provide all students with an inspiring and ambitious curriculum that equips every student with the knowledge and skills to flourish. .

- **Learning to develop my own story - Strong relationships and community**

We will provide an inclusive community which allows all members to feel safe and supported. This is underpinned by decency, compassion, and humility. Every child matters - there is an adult for everyone, and everyone is noticed.

- **Learning about others - School is more than the classroom**

We will educate beyond the classroom, to develop resilient, creative, and life-ready citizens with a strong sense of social responsibility, leadership, a sense of curiosity, adventure and a global perspective.

- **Learning for the next chapter - Preparation for life after school**

We will provide expert career and life guidance, so our students make informed decisions about their futures which facilitate their transition to life beyond the school.

“A society grows great when people plant trees in whose shade they know they shall never sit”

Sport at The Ashcombe

PE and sport at The Ashcombe are a vital and vibrant part of the curriculum and life of the school. Popular as GCSE and A Level subjects, every week sees over 25 extracurricular sports activities, attracting a large number of students, with opportunities to compete against local schools and in county and national competitions.

Facilities include: two large changing rooms, a Sports Hall (with 6 Badminton Courts, 2 full size Basketball Courts, 1 full size Volleyball court and 2 indoor Cricket Nets), Gymnasium (with 2 Trampolines), Fitness Suite, 3 Tennis Courts, 2 Hard Court areas, grass full size pitch for Football and grass full size pitch for Rugby, In the summer term, a Long & Triple Jump pit, 300m Athletics Track, throwing areas for Javelin, Shot and Discus, Softball Pitch, 3 Rounders Pitches and a Flicx Cricket Pitch.

Trips to major and other sporting events are extremely popular and the Sports Ambassadors programme offers students a variety of leadership opportunities including organising and running primary school sports events. Each summer also sees a very enjoyable Sports Awards evening, with well-known guest speakers. And we have swimming and equestrian teams too!

“students thrive on the extracurricular clubs in PE”

What We Offer

A Strong Culture of Self-Betterment

We believe that great training is always at the heart of an effective school and recognise that investing in staff development helps us to remain open to innovation, and directly improves the offer to our students and enables our staff to grow. The whole-school coordinated CPD programme is led by an experienced middle leader. The highly successful ECT programme is led by a group of experienced mentors and a coaching programme is offered to all staff. Staff are actively encouraged to engage in leadership courses, which sit alongside less formal groups such as a group discussing emerging pedagogy, as well as teaching and learning discussion workshops. Ideas and feedback are encouraged through many different channels, including direct access to the Headteacher who maintains an open door policy.

A Friendly and Welcoming Teaching Community

We pride ourselves on treating people well and this was identified by Ofsted in May 2024 which noted that “Staff at all levels feel supported, including teachers in the early stages of their careers”. We offer a genuinely warm and welcoming environment at all levels and there is real support from Leadership staff who are visible around the school at all times.

A Beautiful and Well-Connected Location

In the foothills of the North Downs, the school is within walking distance of some of the most beautiful countryside in Surrey, including direct access to Box Hill and Denbies Vineyard – the surroundings are used by the school for sports lessons, sponsored walks and Duke of Edinburgh practices. There are excellent rail links to London, Brighton, Guildford, Reading, Horsham, Reigate and Redhill, along with access to the major road networks via the A24, A25 and the M25 which is just 5 miles away. Dorking is a thriving town with excellent sports and leisure facilities, entertainment venues and a wide range of food and retail outlets.

“a caring school community”

Why we love The Ashcombe

ECT RS and
Politics teacher

I'm **Lauren** and joined **The Ashcombe** in **September 2023** as a **Religious Studies teacher**, teaching Key Stages 3-5, and A Level Politics. I had two quite different placement schools which gave me a clear idea of the kind of school I wanted to teach in (and those I didn't want to!). Despite my mentor's advice not to take the first job I was offered, The Ashcombe showed the range and diversity I wanted: a large mixed school, Sixth Form teaching, and as became clear when I met the Headteacher, an ethos of openness and self-development. After experience working in a variety of jobs and doing outreach with disadvantaged school students while at university, I always came back to wanting to work with young people and teach. As a Year 7 tutor, I am very involved in all the Year 7 activities and trips and developing my involvement with the 6th Form. What impresses me most is **the transparency and open and welcoming nature of the school combined with respect** – there are so many opportunities for feedback, and nothing is sprung on you as a surprise.

Teacher in charge
of Media

I'm **Michael** and joined **The Ashcombe** in **September 2023** as **Teacher in charge of Media**, also teaching English. Having taught in schools nearer to London, I was looking for a location which offered community and a balance of family life. The Ashcombe School is at the heart of the community in Dorking and despite its size, the strong pastoral provision has confirmed to me that every student is known and that kindness is at the forefront of the education available. I have felt warmly welcomed to the great range of school events which I have participated in: Careers Fair, Christmas Fair, Buggy Malone production, Christmas Carols, trips to Cologne, visits to the BFI on the South Bank – the calendar this term has been full of activities beyond the classroom for all students. Staff and students are given so many opportunities to challenge themselves and develop, and the school is truly open to feedback and review. **When I walk around the school I see warmth, kindness and authenticity.**

Physics Teacher

I'm **Deirdre** and I joined the **Science Department** in **September 2022** as a **Physics teacher**, after qualifying and spending 5 years in another Surrey school. I was ready for a change but what made the biggest impression on me was when our Headteacher hosted a Zoom call to introduce us to Ashcombe before I even applied – it was so personal and I could appreciate the ethos of decency at The Ashcombe straightaway. I have found this ethos being embodied every day among the staff I have met. I enjoy being an ECT mentor, and planned a Year 12 to CERN in Switzerland next year – I've found my ideas are encouraged and enabled. Oh, and a 4-period day is a definite planning plus! From an international IT career to now, what keeps me loving my work is that **every day I find joy and reward in supporting our wonderful students whilst also feeling supported by my colleagues and leadership team.**

Our staff say :

- a culture of community where students and staff feel supported
- a safe and calm learning environment
- camaraderie and shared dedication amongst staff
- compassion and support
- strong student/staff relationships
- education is holistic
- collaboration between staff and students, shared ambitions and high aspirations
- staff feel listened to
- culture of openness, trust and support
- caring about individual students
- understanding, friendly and caring environment
- **the warmth of the school towards the students - it's tangible!**

We hope this has given you an understanding of some of the key features of The Ashcombe School and why we believe it is such a special place to work - at the heart of the community and with a wonderful ethos.

Come and join us!

Roles and Responsibilities – Head of PE

Job Purpose

To ensure that students are prepared for the national and school requirements of PE by co-ordinating and monitoring the work of PE staff.

Job Outcome

Students enjoying their experience of learning PE and attaining standards commensurate with their ability and the expectations set within the school. Staff contributing to the work of the PE team, aware of expectations and receiving appropriate development.

- To keep abreast of curriculum developments, National and examination requirements of PE, and wider curriculum developments (e.g. Reading, Writing, Communication and Numeracy).
- To plan, audit and evaluate the curriculum provision for students studying PE, taking account of the need for differentiation and equal opportunities, through co-ordinating:
 - Liaison with primary schools (ensuring progression and continuity)
 - Aims and objectives for courses related to national Curriculum requirements and school aims, values and initiatives
 - Schemes of work in line with guidelines provided by SLT
 - Documents to students and parents about courses on offer
 - Learning materials (storage, distribution and stock checking)
 - nature of assessment materials and mark schemes, ensuring standardisation of assessment
 - the process of setting students in appropriate groups and reviewing grouping arrangements
 - ensuring work is set in event of staff absence
- To follow school and departmental guidelines on monitoring the quality of teaching and learning, for example through:
 - Examination of teacher records
 - Examination of samples of students' work
 - Examination of teacher reports
 - Interviews/questionnaires involving students and parents
 - Analysis of school assessment data
- Meet regularly with SLT contact to discuss management issues including curriculum, teaching and learning, ARR (assessment, recording and reporting), MER (monitoring, evaluation and review), meeting agendas, finance and staffing

- Develop strategies to enhance teaching and learning

These accountabilities and related tasks should be managed effectively through documentation and meetings; contribution to departmental meetings; regular liaison with designated Senior Team Manager; provision of guidance for teachers and use of ICT.

About the PE Department

Current areas of development in the department include the investigating and sharing of high-quality teaching and learning with a continuous focus on enjoyment and participation, along with revamping our KS3 Curriculum offer and how we assess. The department also continues to develop academic PE with A-Level and GCSE lessons.

Extra Curricular Activities

These facilities enable us to offer a broad and balanced variety of activities providing opportunities for students to participate in both competitive and non-competitive sport. There are clubs at lunchtime and after-school, with after-school fixtures also. We are proud of the many students who opt to take part in these activities and naturally go on to join a local club and often gain representative honours at local, regional and national level. A list of the activities is as follows (which are all open to Boys and Girls).

• Football	• Netball	• Hockey
• Basketball	• Cricket	• Trampolining
• Dance	• Badminton	• Tennis
• Gymnastics	• Futsal	• Rounders
• Athletics	• Rugby	• Cross-Country

In addition to these activities, the school holds specific annual sporting events throughout the year, including a Gym and Dance performing Evening, an Activities Week and regular House activities such as Sports Day and Games Day, along with Varsity afternoons against a local school.

The department also run trips to watch live sporting events, including Premier League Football matches, Basketball, Netball, T20 Cricket and Wimbledon Tennis.
