

What is it like to work as a Teacher of PE at The Holgate Academy?

“Being both a teacher and the Head of PE at The Holgate Academy has been a very fulfilling role that has allowed me to develop my skills as a leader, mentor, and teacher. As a department we are extremely supportive of one another and work hard as a team to provide a positive environment and experience for all our students, both in lessons and during extra-curricular activities.

We offer a range of extra-curricular sports after school which are run by both members of the PE department as well as other academy staff – highlighting the commitment that everyone has to providing our students with as many different opportunities as possible.

The PE department are very proud of the relationships that they have developed with the students at Holgate and feel honoured that they are enthusiastic about extending their learning with us after school, taking up the opportunities that we offer them.

Hopefully, the person that takes over the role of Head of PE will love working with the staff and students as much as I have over the past 23 years!”

Mrs C Lunney (Head of PE)
