CANDIDATE PACK

WELCOME FROM THE HEADTEACHER

Heritage High School is a thriving 11-16 comprehensive school in the heart of our community. We are an ever growing school and are increasingly the school of choice for the local community demonstrated by the fact that we are regularly oversubscribed.

The school has a good reputation for strong and caring pastoral systems. We work hard to develop positive relationships with all of our students and their families.

The key to successful education is to ensure that teaching is consistently high quality across all curriculum areas and that learning is focused and purposeful. To make this happen we are committed to developing effective, enquiring learners who have real aspiration and take ownership of their own learning and want to show the best that they can do.

We provide a core of traditional subjects from Y7 to Y11, and provide high quality guidance to all students on the next steps at post-16. Our facilities are of a high quality, boasting well equipped specialist areas housed in recently constructed buildings. Regular after school learning activities are offered together with wider enrichment opportunities, including residential visits abroad.

We are committed to providing the very best for the young people in our care. I hope that together we can drive the school forwards to even greater success.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile.

The job profiles includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible.

We get many application forms where half of the information is missing. We understand application forms can be a lengthy process, but poorly completed application forms give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our decision. It is important to make sure your details are accurate and up to date. When going over your work history, make sure you mention any relevant experience you got from those roles and do not leave gaps in your employment history. Where there are genuine gaps, address these in the appropriate section.

3. Make sure your supporting statement is well constructed.

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focussed and should normally not extend beyond two sides of A4.

4. Proofread your application before submission.

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful!

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from any education you have, as we will ask to see proof of qualifications.

6. References.

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but someone in a position of seniority who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher should be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer will be conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring.

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form.

This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
