If teaching early reading, demonstrating a clear understanding of systematic synthetic phonics. If teaching early mathematics, demonstrating a clear understanding of appropriate teaching strategies.

# Plan to teach well-structured lessons by:

Imparting knowledge and developing understanding through effective use of lesson time.

Promoting a love of learning and children's intellectual curiosity.

Setting homework and planning other out-of-class activities to consolidate and extend the knowledge and understanding pupils have acquired.

Reflecting systematically on the effectiveness of lessons and approaches to teaching.

Contributing to the design and provision of an engaging curriculum within the relevant subject area(s)

## Adapt teaching to respond to the strengths and needs of all pupils by:

Knowing when and how to differentiate appropriately, using approaches which enable pupils to be taught effectively.

Having a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these.

Demonstrating an awareness of the physical, social and intellectual development of children, and knowing how to adapt teaching to support pupils' education at different stages of development.

Having a clear understanding of the needs of all pupils, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and being able to use and evaluate distinctive teaching approaches to engage and support them.

## Make accurate and productive use of assessment by:

Knowing and understanding how to assess the relevant subject and curriculum areas, including statutory assessment requirements

Making use of formative and summative assessment to secure pupils' progress.

Using relevant data to monitor progress, set targets and plan subsequent lessons.

Giving pupils regular feedback, both orally and through accurate marking, and encouraging pupils to respond to the feedback.

#### Manage behaviour effectively to ensure a good and safe learning environment by:

Having clear rules and routines for behaviour in classrooms, and taking responsibility for promoting good and courteous behaviour both in classrooms and around the school, in accordance with the school's behaviour policy.

Having high expectations of behaviour, and establish a framework for discipline with a range of strategies, using praise, sanctions and rewards consistently and fairly.

Managing classes effectively, using approaches which are appropriate to pupils' needs in order to involve and motivate them.

Maintaining good relationships with pupils, exercising appropriate authority, and acting decisively when necessary.

#### Fulfil wider professional responsibilities by:

Making a positive contribution to the wider life and ethos of the school.

Developing effective professional relationship with colleagues, knowing how and when to draw on advice and specialist support deploying support staff effectively.

Taking responsibility for improving teaching through appropriate professional development, responding to advice and feedback from colleagues.

Communicating effectively with parents with regard to pupils' achievements and well-being.
