## LETTER FROM THE HEADTEACHER

Thank you for your interest in joining us at Crispin. We believe that Crispin is a great school to be a part of whether as a student or colleague. We are a friendly, inclusive, highly successful school of 1030 students who make strong progress academically, but who also receive a great many wider opportunities to learn in the fullest sense of the word.

Crispin is a popular school with a strong reputation. We unashamedly have high expectations of all members of our community and we believe in challenging and supporting students to achieve their very best. Visitors regularly refer to our students and colleagues very positively. Relationships between staff and students are a strength of the school and colleagues are committed to providing every opportunity for students to have a broad experience and to be successful. We are committed to educating the whole child to ensure they enter adulthood as happy, supported young people with a love for learning. There is a sharp focus on learning and students receive excellent support. At all times we seek to be a compassionate institution.

It is important to state that Crispin has a very strong safeguarding culture which we would expect potential colleagues to wholeheartedly support.

We have a wide-ranging curriculum and have recently expanded the opportunities for students. We offer two Languages, a range of Arts and Technology options and offer examination courses in areas such as Business, Engineering, Health and Social Care and Sport. Students have the opportunity to study Philosophy and our popular course, Curriculum for Life. There are also a wide range of enrichment activities for students ranging from residential visits to school productions; sports to music; an enrichment week to work experience. We have a successful 'Employability' programme which provides important opportunities for students.

We are proud of our House system which is comprised of four Houses (Corvus, Falco, Sturnus and Tyto). This system allows for a wide range of opportunities for students from collaboration to competition, student leadership to support. All colleagues are members of one of the Houses.

We are fortunate to have a well-equipped site which includes extensive grounds, a range of curriculum area blocks and an astroturf pitch. We are also extremely fortunate to have opened a new purpose-built Innovation Hub in November 2020. This has been the most substantial development of the site since the opening of Crispin.

This post is a really exciting one and would be a great opportunity for the right candidate. Other than the basic details in the person specification, we do not have a pre-existing idea of what the successful candidate's career to date will have been. We realise that prospective colleagues will have a range of skills and experience and we will fully support the successful candidate to develop professionally. We have a strong Performance Faculty with a range of experience and expertise that works in a collaborative and supportive manner. We are passionate about providing a wide range of opportunities for all colleagues and this is often referred to favourably by colleagues. Every year colleagues are seconded as Associate Assistant Headteachers, have the opportunity to join the Extended Leadership Team as well as a wide range of other opportunities to develop their careers.

Crispin joined the Wessex Learning Trust on 1 March 2023. We have been working closely with the central team and academies within the Trust since 2022 and being part of this Somerset and North Somerset Trust offers a range of opportunities for the successful candidate. For the Head of PE role, there would also be the opportunity for the successful candidate to apply for the Director of Physical Education role across the Trust

for the 2025/2026 academic year.

The most important thing is that you are passionate about leading Physical Education. Above all else you should be:

- A reflective and caring colleague.
- Always seeking to maximise the success and happiness of students.
- A colleague with the highest expectations of what all members of the school community are capable of.

## FACULTY INFORMATION

### **The PE Department**

The PE Department is a team of enthusiastic colleagues who are relentless in their desire to engage and motivate students. Our dedicated and hard-working team will consist of five colleagues led by a Head of Department. The Department is part of the Performance Faculty.

Student progress is at the heart of everything we do - our vision is to 'promote well-being, life-long participation and excellence in PE for all'. We aim to inspire students through an education which is inclusive and enjoyable whilst encouraging all students to do their absolute best. This range of expertise within the team allows the curriculum to be one of the broadest in Somerset. Facilities include a school hall, fully equipped gymnasium, a fitness room including cardiovascular and weights equipment, a sports hall, netball/tennis courts, a 3G all weather pitch and extensive playing fields.

### **Curriculum**

Years 7-9 are taught four, hour long lessons a fortnight. All groups are mixed ability. In Year 7, the groups are mixed gender and in Year 8 we separate some activities by gender to ensure we provide a safe and purposeful environment for all students. In Year 9, students express a preference for single or any-gender groupings and on their personality preferences. Students can opt for a more competitive / physical performance focus in lessons or a more recreational approach that prioritises social connection and well-being. The curriculum is blocked with activities rotating every term. Activities include a wide range of traditional and emerging games, alongside aesthetic activities such as gymnastics and dance, fitness and athletics.

In Years 10 and 11 students are allocated two hour long lessons a fortnight for Core PE. Each teacher stays with the same group throughout these years and rotates around the facilities in four week blocks. We currently offer OCR Cambridge National Sport Science.

### **Extracurricular Activities**

The Department offers extensive extra-curricular opportunities and clubs are open to all. There are many competitive opportunities both in the local community, county and further afield. We enter all league and area competitions as well as a range of regional and national competitions. The successful candidate will be expected to contribute to extra-curricular activities and fixtures.

### **Further Opportunities**

We strongly believe in continual professional development. There are always opportunities to develop knowledge and skills; from school wide CPD to PE specific opportunities. Crispin encourages collaboration with other local secondary and primary schools. The PE Department hosts primary school competitions in conjunction with the Somerset Activity & Sports Partnership (SASP) which offers students ample leadership and officiating experience. The Department also organises whole school events including the Fun Run and Sports Day as well as an annual sports awards evening.

For more information about the PE Department please refer to the PE page on the school website.

## WELCOME TO STREET

Crispin is a secondary school on the eastern edge of Street, a large village in Somerset with a population of around 12,000. It is situated on the Somerset Levels close to Glastonbury, Wells and the Mendips. The village has an interesting history with evidence of Roman occupation. Street is home to Clarks, the world famous footwear retailer and its headquarters is still in the village. Much of the Street site now houses the popular and thriving designer outlet shopping complex of 'Clarks Village'.

Somerset generally is a warm and friendly county and Street is no exception. The village itself contains a good range of leisure facilities including a theatre which hosts live performances and a wide range of films, sports facilities and an open air swimming pool. The Glastonbury Festival also takes place very near to the village. There are also a good range of local shops. As one resident of Street said 'if you choose you can walk to pretty much everything you need'. There is easy access to the coast and there are a number of National Trust properties in the area as well as nature reserves and areas of outstanding natural beauty.

As well as being located in a beautiful part of Somerset, Street is well connected by road being close to the M5, A303 and on a number of bus routes. There are also nearby rail links to London, Bath, Bristol, Devon and Cornwall. Bristol Airport is also close with a wide range of destinations from Iceland to Egypt. There are a number of interesting towns and cities nearby including Glastonbury, Wells and Frome. A little further afield, one can easily reach the likes of Bath and Bristol which are both major European cities and home to a very wide cultural and sporting life including excellent music venues, theatres, cinemas, restaurants and professional sports clubs including football and rugby.

Housing is still relatively affordable in Street and many of the surrounding towns and villages. Many colleagues talk of how the area is a safe, yet vibrant area to bring up families with a range of good schools and a college which shares its site with Crispin. Yet at the same time there are a myriad of excellent leisure opportunities and major cities within an hour's travel.
