Serving the bustling city of Sheffield, Outwood Academy City was constructed in 2011 with state-of-the-art facilities and joined Outwood Grange Academies Trust three years later. The school has undergone a huge transformation for its 1000 students, with an innovative curriculum and a personalised approach to learning enabling them to realise their vocational, practical, creative and academic abilities. This was recognised by Ofsted in February 2019, when the academy was judged 'Good with Outstanding Leadership'. Inspectors noted that, "Leaders and teachers demonstrate high expectations for all pupils. They are determined that pupils achieve well in their subjects".

The role of Head of Physical Education at Outwood Academy City would be ideal for either an experienced Head of Department or someone looking to make that next step. This is a great opportunity for the right candidate to lead a dynamic department and be pivotal in shaping the department on its journey to Outstanding.

We offer an exciting opportunity to lead a team of enthusiastic and self-reflective practitioners. You will have leadership experience, be determined and driven and have the ability to transform students' lives. You will work alongside a fantastic team to continue to achieve the highest possible outcomes for students, irrespective of their backgrounds or starting points.

As part of a growing multi-academy trust, the successful candidate will be well supported and have access to a range of high quality professional development through the Outwood Institute of Education.
