Every child is known and loved

Letter from the Headteacher

Dear Prospective Candidate,

Thank you for your interest in this exciting opportunity to join our dynamic team of dedicated professionals striving to provide our students with the very best Catholic education possible.

Our mission is clear and profound: to provide every student in our care with a world-class Catholic education, ensuring they are embraced by our inclusive and loving community. At the heart of our educational philosophy is the belief that **every child is known and loved**. Inspired by the life of St Gregory, we strive to empower our students, teaching them to understand their own unique value and dignity. Through this understanding, they can recognise and realise their God-given potential.

We aim for our students to become servant leaders, guided by principles of empathy and integrity, making unique and positive contributions to society and the world. We hold ambitious expectations for our students and challenge them to strive for the very best they can achieve. We enable our students to take personal responsibility for their education and development, overcoming barriers and owning their actions so that they can be rightly proud of their achievements.

At St Gregory's, we are dedicated to creating a safe environment for our students so that they can be themselves with confidence. Clear expectations are provided, allowing them to flourish academically, emotionally and spiritually. Our commitment to truly knowing each student enables us to provide a nurturing atmosphere where they can grow and thrive.

Central to our educational approach is the emphasis on personal and spiritual development. Opportunities for prayer, reflection, and collective worship form an integral part of school life. Through these experiences, students gain a deeper understanding of themselves and their spiritual formation. We encourage them to reflect on their lives, their beliefs, and the unique role they play in the world around them.

By joining us, you will play a crucial role in shaping the educational journey of our students. We would be delighted to discuss how you could become a part of our dynamic community, where a commitment to excellence, inclusivity and the values of our Catholic tradition defines who we are.

Thank you for considering St Gregory's as the place to inspire and be inspired.

Sincerely,
Mike Wilson
Headteacher
St Gregory's Catholic School

Every child is known and loved

About St Gregory's Catholic School

St Gregory's Catholic School is a Catholic secondary school and part of the Kent Catholic Schools' Partnership (KCSP). KCSP is a multi-academy trust (MAT) established by the Archdiocese of Southwark for Catholic education across Kent and it currently comprises 28 academies of which 23 are primary schools and five are secondary schools.

A seven-form entry secondary school located in Tunbridge Wells, St Gregory's is a popular destination for pupils from its Catholic partner primary schools in Tunbridge Wells, Tonbridge and Sevenoaks. As an inclusive academy, its dedicated staff, helpers and governance committee members work hard to ensure that every student is supported and challenged to be their very best. Each individual is encouraged to grow spiritually and intellectually, so that unique and positive contributions can be made to society and the world.

In its most recent denominational inspection in June 2024, St Gregory's was judged as 'Outstanding' for Catholic Life and Mission and 'Good' for both Religious Education and Collective Worship and, in its latest Ofsted inspection in October 2024, the school was judged as 'Good' in all areas. At the heart of the report is recognition of the school's mission to ensure that 'every child is known and loved' inspectors highlighted a "warm and welcoming environment", where students feel valued, supported and able to thrive.

Every child is known and loved

School vision and values

Our Vision

We provide every student in our care with a world-class Catholic education, welcoming them into our inclusive and caring community in which **every child is known and loved.**

We teach students to understand their own unique value and dignity, so they may recognise and realise their God-given potential and, inspired by the life of St Gregory, we empower them to approach the opportunities of their education with vigour. We aim for our students to adopt the role of servant leaders, acting with empathy and integrity to make unique and positive contributions to society and the world.

St Gregory's ALIVE values:

Ambition

Rooted firmly in Catholic teachings, we aim to nurture and guide our students to fulfil their God-given potential so they may achieve success. We support this by providing extensive opportunities in our students' education that include academic, co-curricular, personal and relationship guidance, as well as providing strong role models and teaching moral and ethical values.

Leadership

We strive to be a community of servant leaders, where individuals gain a clear sense of self and purpose, knowing their values and using these to guide how they enrich the community in which they belong.

Integrity

We teach our students to value honesty and have strong moral principles, using their discernment to govern their actions and take responsibility for their choices.

Vigour

Inspired by the life of St Gregory, we empower our students to work with vigour, so they approach all activities and opportunities with effort, energy and enthusiasm.

Empathy

We aim for our students to understand and value the feelings of others and for them to know they are loved and celebrated irrespective of their differences. We also give them the confidence to celebrate their own differences.

Every child is known and loved

School intent statement

Our school is a community centred on the Catholic ethos that strives for excellence, and teaches students the knowledge, skills and attributes they require to be effective 'life-long learners'. Students are happy and fulfilled, because they are nurtured in an environment where they are cared for, known and loved, and encouraged to be unique individuals. We pride ourselves on educating students academically, morally and spiritually, to go out into the world as socially responsible and successful individuals who have a strong sense of how they will use their skills and talents to make the world a better place. We do this by providing a curriculum rich in knowledge and skills, focused on strong relationships which encourage shared values and mutual respect.

At St Gregory's we develop young people who think deeply, are knowledgeable and are informed because they understand how to learn and the value of learning. Students make and articulate informed judgements, hold discussions and show compassion and empathy that enables them to make considered decisions and partake fully in wider society. St Gregory's underpins the Kent Catholic Schools' Partnership vision of a rich, child-centred curriculum that fosters a love of learning.

Our ambitious curriculum carefully sequences learning, so that students learn and apply knowledge and skills which are enhanced further with an exciting diversity of enrichment activities. We strive to provide world-class opportunities for our students, and seek to develop the 'whole person'. Our carefully considered curriculum is well planned, well-structured and thoughtfully sequenced, so that long term learning builds. Memory is fundamental and is developed by students thinking hard to retrieve knowledge, spacing concepts and skills in each subject, and interleaving them throughout the curriculum.

With Christ's love at the centre of all that we do, our curriculum aims to develop young people who:

- Are happy and feel fulfilled
- Are curious, enjoy learning and have high expectations for themselves and are ambitious for their futures
- Act as positive role models, guiding others by example
- Can make and articulate informed decisions and take responsibility for themselves
- Approach activities with effort and commitment, showing resilience and perseverance
- Demonstrate respect, compassion and empathy towards the beliefs and values of others

Every child is known and loved

Role description

We wish to appoint an innovative, enthusiastic and well-qualified **Head of Physics/Teacher of Science (specialised in Physics)** to join us at St Gregory's. This post would suit an experienced teacher.

The Role:

The Science department has a wealth of experience and consistently produces excellent results at GCSE and A Level. You will be joining a skilled, energetic and committed team so we are seeking an outstanding candidate who can continue to raise the quality of provision to enable the best possible outcomes for our students.

The successful candidate will be a committed team player with a passion and determination to inspire and motivate students to develop a passion for science. They will be dynamic, emotionally intelligent and sympathetic with the strong Catholic ethos and values of St Gregory's who are committed to improving the life chances of young people.

Benefits of working at St Gregory's Catholic School

- A supportive and caring working environment for staff and students
- Training opportunities are provided for all staff
- Access to our Fitness Suite
- Kent Rewards Scheme
- Staff laptop provided
- Employee Assistance Programme which offers counselling, financial guidance, legal enquiries with access to online health and wellbeing resources

Every child is known and loved

Job description

Job Title:	Head of Physics/Teacher of Science (specialised in Physics)
Salary Grade:	MPS/UPS, TLR maybe offered to the right candidate
FTE:	1.0
Line Manager:	Subject Leader of Science

Main Purpose:

- To provide strong leadership to the Physics Department of the Science faculty so that teaching and learning is consistently excellent.
- To ensure that all young people make at least expected progress and that ambitious targets for student performance are met in all Key Stages.
- To continue to develop an innovative and progressive curriculum in Science lessons which is supported by world-class opportunities for students.
- To performance manage robustly all leaders, teachers and support staff in the Science Department so that ambitious targets are met and there is a clear link between pay and progression.

Our Offer:

We create an environment where our staff can thrive and enjoy the work that they do which enables our young people to flourish, gain confidence, achieve and be happy. We have a reputation for being a very caring environment and we have a great record for investing in staff training and development.

Every child is known and loved
