The Post

Head of Physics Department
TLR 2A £7,847 pa
Required for January or April 2025
MPS/UPS Full-time Permanent

We are looking to appoint a creative, enthusiastic and inspiring Head of Physics to lead this important area of the curriculum from September. This is an excellent opportunity for the right person to join this outstanding school which has a strong reputation across all three Sciences. The successful candidate will have the ambition and innovation to manage and develop this department.

We welcome applications from candidates who can demonstrate:

- a passion for teaching Physics
- commitment to promoting high quality teaching and learning within this department
- ability to promote Physics across the curriculum
- experience of teaching Physics to A level standard

The Team & Our Facilities

The school has an excellent reputation for Science resulting in many students continuing to study Biology, Chemistry or Physics at A level in the school's large sixth form. In Year 7 and 8, lessons are timetabled as 'Science' resulting in a more holistic view of the topics covered. From Year 9 onwards, the Sciences are taught separately allowing excellent and in depth preparation for external examinations. At GCSE students take either Triple Science or Combined Science. A levels are offered in all the Sciences and are highly successful both in terms of results and as preparation for university. Practical work forms a key part of Science lessons; we want students to discover things themselves and the best way to do this is through investigations.

The Science Department consists of 10 colleagues; Head of Science, Heads of Biology, Chemistry and Physics along with specialist teaching staff, and the department is supported by 4 Science Technicians. Our science facilities are extensive and have started a new building which will include 5 new laboratories.

The role of the Head of Department is to provide effective leadership in their specific subject areas and to build a team which can provide high quality teaching and learning in the specific subject areas. They are responsible for raising student attainment and achievement within their curriculum areas.

The post holder will:

- Report to a member of the Head of Science
- Carry out the professional duties as set out in the current Teachers Pay and Conditions document issued

under the Teachers Pay and Conditions Act 1991

- Provide professional leadership and management within the Department in order to secure high quality teaching, effective use of resources and improved standards of learning and achievement for all students
- Be responsible for the overall management of the teaching of the subject and the learning and progress of students in the subject
- Be committed to professional self-development in order to carry out the job successfully.

Leadership

- Line manage members of the Department
- Provide a link between the Department and the Head of Science
- Support the Head of Science in an annual Department results analysis

Teaching and Learning

- Ensure that teaching within the Department is of the highest standard through differentiated Schemes of Work, appropriate deployment of staff, use of targets and implementation of School policies.
- Monitor, formally and informally, teaching and learning in the Department
- Review regularly all aspects of the Department's work to ensure progress
- Maintain records to demonstrate this.

Management

- Create and maintain clear Department documentation (Schemes of Work, Handbook)
- Manage and organise resources
- Evaluate Schemes of Work
- Initiate and manage change to raise standards where necessary
- Lead subject meetings
- Set targets for the Department and monitor those targets against student performance.

People and Relationships

- Act as a reviewer in the annual Appraisal Cycle
- Develop the role of members of the Department, including inducting new staff in the Department
- Manage serious issues of behaviour management within the Department In line with school policy

Health and Safety

- Implement the Health and Safety Policy of the School, including the production of subject specific Health and Safety Policies where relevant
- Monitor all rooms and stock cupboards for faults, deficiencies, damage, cleanliness and hygiene
- Include Health and Safety on the Agendas of Department Meetings at least termly.

Assessment

- Oversee the assessment and recording of students' performance in the subject(s) in line with School policy and process
- Monitor the performance of students across the school in the subject through the use of Department and whole school data
- Ensure that whole school assessments are in place by the published deadlines
- Track student progress over time within the Department.

Student Support

- Identify students who are under-achieving in the Department and liaise with the Head of Study as necessary.

Safeguarding

- Adhere to the requirements as set out in the current version of KCSIE
- Attend/Complete all MGGS training in relation to safeguarding
- Report all safeguarding concerns in a timely manner as specified by the school
- Ensure there is a culture of safeguarding within all areas of the role
- Be committed to safeguarding and promoting the welfare of children and young people

About Us

Welcome to our forward-thinking community with a tradition of excellence

Maidstone Grammar School for Girls, or 'MGGS', as it is more often known, has a strong community spirit which is underpinned by our belief that the happiness of all our students is key to enabling them to succeed. We have been providing an academic education for girls (and boys in the Sixth Form) from the town of Maidstone and its surrounding area for over 135 years.

MGGS is a very special place. Our students love learning; they are talented, compassionate and inquiring young people who have a deep sense of belonging and commitment to their school.

Maidstone Grammar School for Girls was rated as Outstanding in the last Ofsted inspection which was carried out in March 2023.

"The ambition for pupils at Maidstone Girls Grammar School (MGGS) is limitless. Pupils, from Years 7 to 13, aspire to be the very best they can be. They value the dedicated support from staff as they determinedly pursue different career ambitions."

"Excellence sits at the very heart of the school's meticulous curriculum. Staff use their detailed subject expertise to diligently identify the most important knowledge pupils need to learn. Pupils keenly master different skills, whether this be solving complex problems in mathematics or using their creativity in English,

art, and design and technology.”

Our academic curriculum at MGGS provides students with outstanding examination results year on year. *“I love being part of the MGGS community. From day one I felt welcomed into something special. There are so many opportunities for me to try new things and take part in activities that I enjoy. I really feel that my happiness is as important to the school as my academic success.”* Year 7 Student

MGGS is a Leading Light school, using G Suite for Education, and we have been acknowledged by Google UK as one of the most advanced schools for its integrated use to promote student learning. MGGS is a Regional Computer Hub, awarded by the Department for Education in recognition of the expertise the school has evidenced in Computing Education and will take a lead in training teachers across the south east in the delivery of Computing. Other notable awards include the British Council’s prestigious International School Award in recognition of our work in bringing the world into the classroom. Furthermore, we have been successfully reassessed and have maintained our Quality in Careers Standard, the national quality award for careers education, information, advice and guidance (CEIAG).

We are widely recognised for our broad and balanced curriculum (all students study two languages at Key Stage 3), and our tradition of academic excellence, together with the many enriching extra-curricular activities we provide for students. We believe that our Curriculum and Sixth Form Extra enrichment programmes are vital to building self-confidence, resilience, and leadership skills in all of our students. We nurture individuality and scholarship to ensure that our young people will go on to take leading roles in society and become happy and fulfilled adults.

Our Results

GCSE and A Level Exam Results 2024

We are very proud of our students; not only are their academic standards high, but they also develop as confident articulate individuals ready to take full advantage of opportunities as they arise.

We are pleased to report our summer results for 2024 that re-enforce Ofsted’s quote, “The ambition for pupils at Maidstone Girls Grammar School (MGGS) is limitless.”

Summer 2024 has seen our Year 11 and 13 students achieve some fantastic results, which is a result of their hard work and resilience especially over the last two years. Students have demonstrated their commitment to their education. I am so pleased for each and every student's personal achievement and delighted with the overall achievement of the year groups.

We see a continued trend of results, enabling students to pursue their individual goals. For Year 11 we are very proud of all of their individual achievements and look forward to the next stage of their education at MGGS Sixth Form. For Year 13 they go on to pursue a wide range of pathways, including university study, apprenticeships and employment.
