

Head of Physics

MPS/UPS £25,714 - £41,604 per annum plus TLR1A £8,291, depending on relevant teaching experience

Required from September 2021

Walker Riverside Academy, is looking to appoint a highly motivated, outstanding Science Teacher to raise standards by leading the development of teaching and learning across Key Stage 3 and 4 in Physics.

Our most recent OFSTED report in September 2017 judged the school's overall effectiveness as good. Of particular note to inspectors in Science was the impact of strategies that have improved students' writing and providing opportunities for students to reflect and learn from their mistakes. We are now pushing to achieve outstanding and recognise the need to develop specialist areas within our Science Faculty.

To be successful you will have high expectations of yourself and those around you, a clear vision for Physics and be passionate about developing Science Capital to improve outcomes and life chances for our students. You will be an outstanding practitioner with the vision, energy and drive to ensure teaching is of the highest standard across all key stages to ensure rapid improvement in curriculum development, student progress and achievement. With a suite of purpose built science labs boasting a range of specialist equipment and technologies for students to use, the opportunities are endless.

As part of the newly formed Tyne Coast Academy Trust, our shared vision of excellence in education at all ages means that there is potential for ongoing professional development and career progression.

If you are a dynamic, committed and inspirational teacher, are up for the challenge of providing life changing education for all and a relentless drive to achieve outstanding progress

and attainment with students, we would encourage you to apply and look forward to receiving your application.

This Academy is totally committed to child safeguarding and promoting the welfare of children and young people and all applications will be closely scrutinised to this end. The successful applicant will be required to obtain an Enhanced Certificate of Disclosure from the DBS and pass a range of other recruitment checks.
