THE POST OF:

HEAD OF PSHCE TLR 2B £4,782

JANUARY 2022

HEAD OF PSHCE

Dear Applicant,

Thank you for requesting details for the position of Head of PSHCE at Ilkley Grammar School. The post offers an exciting opportunity to teach PSHCE and make a positive difference in our outstanding school, a converter Academy and the founding school of Moorlands Learning Trust (MLT). We very much welcome your interest and hope the accompanying information will encourage you to apply.

The successful candidate will join a very popular and ambitious curriculum area where standards and levels of student engagement are high. They will have high expectations, expert subject knowledge, a strong and positive work ethic and an unwavering commitment to all students achieving their full potential in PSHCE through consistently excellent teaching. Working collaboratively as part of a dedicated and talented team, they will be inspirational to both students and colleagues, and will be committed to sharing best practice and contributing to enrichment, intervention and the development of the department.

This is an exciting time in the school's development. Following a £4.7 million capital investment from Bradford Metropolitan District Council (BMDC), our learning environment has been enhanced by an additional three-storey teaching block for with 15 new classrooms (all equipped with interactive screens), a dining hall and indoor flexible space. In addition, we have also opened a 12 place Specialist Resource Provision (SRP) for students with autism as part of our commitment to inclusive education. Indeed, whilst we have a long history dating back to 1607, we are a modern school with innovation at the heart of our vision as a learning community. We continually advance our curriculum to be responsive to student need and have rolled out iPads to all students to personalise learning and prepare them for life and work in the 21st Century. We also invest in the professional development of our staff to keep ourselves at the cutting edge of educational development.

We are very proud of our excellent reputation in the local community, as well as the wider Leeds and Bradford areas and pride ourselves on the quality of education we provide to our students. Our Ofsted inspection of March 2017 confirmed us as an 'Outstanding' school in all areas, where students "attain highly and make excellent progress", where behaviour is "exemplary" and where "teachers go the extra mile to make sure students achieve, feel cared for and thrive within a supportive and productive learning environment" (Ofsted March 2017). Our success was also recognised in The Sunday Times Schools Guide 2022 with Ilkley Grammar School named as the 7th best state secondary school and 3th best state comprehensive school in the north of England.

Since achieving our 'Outstanding' Ofsted rating, the school has gone from strength to strength. Our 2021 A-level and GCSE results were outstanding: 51% of all A-level entries were at A/A* and 73% at A*-B; at GCSE over 52% of all GCSE entries were achieved at 7+ this year - a 10% rise on last year's IGS results and over 23% above this year's national rate, with a very impressive 34% of all entries achieved at the very top level of grades 9/8 – an increase of 9% from last year. As a result, progress of all students is well above average with a score of +.58 in 2019 and, although performance tables will not be published this year, our P8 score based on the 2019 formula is +.1.1 This is in line with the upward trajectory of improvement we have maintained over a number of years.

As a comprehensive academy, our overriding aim at IGS is to ensure that our students achieve everything that they are capable of – their 'Personal Best' - from Year 7 through to Sixth Form and beyond. We recognise every student as an individual, with different needs and talents, and we work hard together to make sure we support and nurture successful, happy and confident learners who achieve in the widest sense of the word, and not just academically.

Staff wellbeing is also extremely important to the school and we have an embedded programme of extra-curricular, voluntary 'Wellbeing Wednesday' sessions for staff to access across the school year. The school closes earlier for students on Wednesdays in order to accommodate these sessions as well as to facilitate whole school and departmental staff CPD.

Despite our considerable success, we are not complacent and our commitment to Personal Best means that we continue to drive school improvement in order to further raise standards. Consequently, this is a crucial role in our middle leadership structure and we are looking for a

talented leader and teacher who can combine vision, strategy and drive to support our journey to being an exceptional school. We can guarantee high-quality support in the role, committed and effective colleagues, well-motivated and aspirational students, opportunities for partnership working and a very supportive community. In return, we will expect a positive and enthusiastic approach, emotionally intelligent leadership, an unwavering commitment to Personal Best and a passion for working with young people to make a positive difference to their lives.

If you are inspired by this opportunity and have the qualities to contribute to our high-quality provision, then we would be delighted to hear from you.

As part of your online application in the Personal Statement section (no more than 2 sides of A4) please explain:

- how you would lead developments in the curriculum and learning and teaching to ensure students have a memorable, enjoyable experience and make excellent progress in PSHCE
- your experiences, qualities and skills which make you suitable for the post, with specific examples of the impact you have had in your current role

Closing date for applications is: 8am Wednesday 19th January 2022 Interviews will be held: Week commencing 24th January 2022

If you do not receive an invitation to interview by 24th January, we regret you will have been unsuccessful on this occasion; may we take this opportunity to wish you every success in your future career.

Thank you again for your interest in our school.

The PSHCE department is a fast-moving, topical department, alive to the ever-changing world around us. Lessons are taught once a two-week cycle in Years 7, 8 and 11 and twice a cycle in Year 10. RSE is taught over Term 3 to Year 9 through RE. PSHCE covers a number of disciplines, namely the Department for Education's Citizenship Programme of Study, the PSHE Association's Programme of Study and incorporates the Department of Education's new Relationship and Sex Education Programme. Students in Year 10 also undertake World of Workfocused schemes that encompass the START programme, mock interviews and work experience while Year 11 focus on their Post-16 aspirations and financial literacy.

The department aims to provide students with the knowledge, skills and understanding to prepare them to play a full and active part in society. In particular, the department strives to foster in our students a keen awareness and understanding of democracy and to equip them with the skills and knowledge to explore political and social issues critically, to weigh evidence, debate and make reasoned arguments to prepare them to take their place in society. A programme of active citizenship is also designed to enable our students to realise our whole school vision of having the confidence and skills to make a positive difference to their own lives and the lives of others.
