Welcome from Angela Ager

Dear Applicant

Thank you for your interest in the post at Romero Catholic Academy Trust.

What is distinctive about the Romero Catholic Academy Trust? As a Catholic Academy Trust, our first duty is to maintain and develop our schools as living faith communities inspired by the gospel.

Our Trust has grown from the six schools who originally joined Romero Catholic Academy Trust to sixteen schools. Developing strong relationships and local partnerships between our schools has been an essential driver to this growth.

Our Catholic Senior Executive Leader and central team ensure that the priorities and perspectives of each school can be heard within our Trust. Our schools continue to further increase collaborative approaches where they work together for the benefit of their communities and the Trust as a whole. Our directors value strong relationships with the local governing bodies of the individual schools.

It is an exciting time to join the Trust, over the next few years, the Trust will quickly grow to include all the schools in the Trusteeship of Salford Diocese in Blackburn with Darwen, Calderdale and Lancashire. We will ensure they all provide an exceptional Catholic education for our children.

Yours faithfully

Angela Ager (Chair of Directors)

Our Values

Romero Catholic Academy Trust is a family of Catholic schools serving the needs of children and young people in the Diocese of Salford, covering the areas of Lancashire, Blackburn with Darwen and Calderdale. To achieve this, we will uphold four key values:

Faith: To nurture our belief in God.

- Inspired by the vision of Bishop John, we will provide an authentic passing-on of our Catholic faith.
- Our schools will be nurtured by the Word of God.
- Our pupils will come to an understanding of what it means to be loved by God and the responsibilities that come from loving God.
- Our schools are worshipping communities characterised by vibrant liturgy and prayer.

Service: To live out the responsibilities of our faith by serving others.

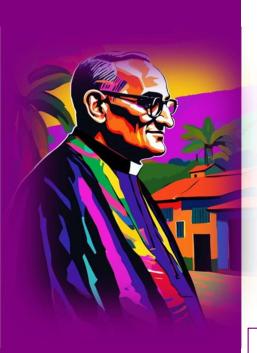

- We will always act in the service of the pupils in our care.
- In our schools we will educate our children to be the next generation of the stewards of God's creation.
- We embrace Catholic social teaching and work for the Common Good with a preferential option for the poor.
- We are outward facing, acknowledge our place in the wider educational system and accept our civic responsibility.

Aspiration: To aspire to fulfil the potential of each individual, created uniquely in the image of God.

- We will work to fulfil the potential of each member of our community by providing an education that develops the whole person, including high quality Religious Education.
- Our schools will have a relentless focus on achievement. The quality of education in our schools will be 'at least as academically distinguished as that in the other schools of the area.' (Can. 806.2)
- Every member of our community will be provided with the knowledge, skills and attitudes needed to succeed in school and in the next stage of their lives.
- Through high quality and relevant continuing professional development, we will invest in our staff.
- Decision making will weigh up the Common Good and be made in a timely way.
- We will always focus on the solution to a problem.

Collaboration: To work collaboratively; sharing and fostering the strengths and expertise of all.

- A spirit of solidarity leads us to accept a shared responsibility for all.
- We recognise the concept of subsidiarity; that decisions will be made as locally as possible.
- Improvements across our family of schools will be secured by utilising the skills and experience in the
- Wherever possible, we will take care to involve and inform people in decision making.
- We believe in the importance of open, honest and positive communication.

Saint Oscar Romero

Our Catholic Academy Trust is named after Saint Oscar Romero and his values as a great and inspirational teacher and as a protector of all.

Saint Oscar Romero stood out for his unwavering commitment to living out the Gospel, to providing a witness to the love of God in the face of violence. He was the Archbishop of San Salvador and he was murdered for criticising the government that kept people very poor. He shows us that we must see God in all people and work together to build God's kingdom of mercy, justice and love on earth.

Today, we can make a renewed commitment to follow in the example of our heroes of our faith to live a life faithful to Jesus. To turn our attention away from possessions and focus on the call to holiness.

The Romero Prayer

It helps, now and then, to step back and take the long view.

The Kingdom is not only beyond our efforts; it is even beyond our vision.

We accomplish in our lifetime only a fraction of the magnificent enterprise that is God's work.

Nothing we do is complete, which is another way of saying that the kingdom always lies beyond us.

No statement says all that could be said. No prayer fully expresses our faith. No confession brings perfection. No pastoral visit brings wholeness. No program accomplishes the church's mission. No set of goals and objectives includes everything.

This is what we are about.

We plant the seeds that one day will grow. We water the seeds already planted, knowing that they hold future promise. We lay foundations that will need further development. We provide yeast that produces effects far beyond our capabilities.

We cannot do everything and there is a sense of liberation in realizing that. This enables us to do something and to do it well. It may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest. We may never see the end results, but that is the difference between the master builder and the worker.

We are workers, not master builders; ministers, not messiahs.

We are prophets of a future not our own.
