

## Spa School Camberwell: Head of School

Pay: Inner London Group (L23 – L28)

Responsible to the Executive Headteacher

Spa Camberwell is a special school for pupils with autism aged 4-16. The school opened in 2020 and has grown year on year. The school is now at full capacity with classes in all key stages.

Our pupils are happy, safe and healthy. They make great progress and there is a strong focus on learning.

Our staff are committed to making sure all our pupils have the best opportunities in everything we offer. They are committed to professional development and are well supported.

The trust is now recruiting a permanent Head of School to lead the school forward in the next stages of development. This is a unique leadership opportunity to build on the excellent foundations in place.

Successful candidates will:

- have outstanding senior leadership experience in a special school
- have an excellent understanding of the high quality autism education
- demonstrate a commitment to our vision
- have a clear vision and strategy for the development of the school
- be committed to offering the best opportunities for our pupils and their families
- inspire and motivate pupils, families, staff and the broader school community.

Applicants for the post must have senior leadership experience in special education.

The trust acknowledges the importance of the role of the Head of School and will actively offer long term support, encouragement, CPD and realistic challenge to the successful candidate.
