The Directors of Emmaus Catholic Multi Academy Company, supported by the Archdiocese of Birmingham, are looking for an ambitious, experienced and suitably qualified practising Catholic to carry out the exciting role of Head of School at Our Lady Queen of Peace where there is an 'inclusive culture, with pupils feeling that differences are to be celebrated' (Ofsted, November 2023).

Our Lady Queen of Peace is a lovely school situated in the St John's area of Worcester. The leaders and staff expect pupils to be kind, polite and hardworking and constantly strive to provide opportunities to enable pupils to achieve their personal best. We have a committed staff team, a supportive and knowledgeable Local Governing Body and very strong links with our local parish.

Working under the direction of the Executive Principal, the successful candidate will have the expertise and vision to lead Religious Education and further enhance the strong Catholic ethos of this warm and friendly school. In addition to responsibilities for the day to day operations of the school, the Head of School will also lead on Curriculum, Assessment and all attendance, behaviour and assessment related initiatives. The successful candidate will also be a member of the school's safeguarding team.

Directors are looking for an outstanding, highly motivated practitioner, with experience of whole school improvement who is able to work with all staff to ensure that ALL Our Lady Queen of Peace children reach their potential.

This is a fabulous opportunity to be part of the leadership team of our Multi Academy Company and contribute to our shared vision of continually raising standards in each of our schools. Strong and collaborative networking provides positive support for continuous professional development, and Directors are keen to appoint and promote effective and successful leaders to secure and sustain the future of our schools.

*All applicants must be able to provide documentation to prove their right to work in the UK.*

*Effective from September 2022, KCSIE states as part of the shortlisting process school and colleges should consider carrying out on-line searches, as part of the due diligence on shortlisted candidates. This is to determine suitability to work with children and keep them safe. All shortlisted candidates are now subject to an on-line check and if there is anything concerning, then the shortlisted candidate will be asked to comment on it either prior to or at interview.*
