Mrs N Kelly – Federation Executive Headteacher

I am delighted to have been appointed to the position of Executive Headteacher from September 2024. We are journeying through an exciting and changing time for our Federation of three schools. Each of the schools are very different and serve a range of communities. We value the distinctive nature of our three schools and the diverse communities they serve. As Head of School based at Sacred Heart, you will be joining a wonderful, supportive team who are always working hard to support the community they serve. You will be working closely with the other Heads of School and myself to create an immersive and engaging curriculum for the children in our schools. As a Federation of three small schools, we have the support of each other to build our capacity and strengthen our team. I would relish the opportunity to show you around our wonderful school, tell you more about the context and current position at Sacred Heart and answer any questions you may have.
