Both schools also work closely with Exeter House Special School and as of September new resource bases have been established at both St Mark's and Wyndham Park as part of this collaboration.

This role provides significant opportunities for professional development, collaboration and innovation.

We are seeking to appoint a talented, proactive and inclusive leader, who will lead St Mark's onto their next stage of development.

- Is inclusive and sees opportunities and possibilities for everyone no matter their level of need.
- Invests in staff to grow, develop and evolve.
- Has high aspirations and is proactive about their own professional development.
- Is fully supportive of the Christian character and values of the school.

We can offer you:

- Amazing, well behaved children who have excellent attitudes to life and learning.
- A positive family of experienced colleagues who will support and challenge you.
- A unique opportunity to work within a school and Trust where everyone is valued equally.
- Continuing Professional Development including opportunities within and across the Trust.
- Excellent opportunities to develop and broaden your leadership experiences both in leading the school and as part of the wider Trust.
