HEAD OF SCHOOL

Leadership Pay Scale L27-33

September 2026 start date

The governors of Wollaston School are seeking to appoint a Head of School to build on the best traditions of the school, realise the ambition to achieve exceptional outcomes for every student, and to bring their own vision and approach to shaping the future.

Wollaston School is part of The Nene Valley Partnership, a unique MAT which exists because we believe that working collaboratively is better than working alone. All members of the NVP challenge and support each other to achieve excellence in education.

We have a well qualified and dedicated team of staff, friendly and positive students, parents and a wider community who are incredibly supportive of the school. This is an excellent opportunity to lead our team of Deputy Headteachers, with individual responsibility for the Pastoral, Inclusion and Academic success for the school.

Whether you are an experienced head looking for a new challenge, or an aspiring leader ready for your next step, this is a rare opportunity to make a profound impact on a thriving school community. In all of your work, you will be supported by the Nene Valley Partnership, who have a proud track record of financial and educational excellence, empowering heads of school to create and lead exceptional schools.

Visits to the school prior to making an application are warmly welcomed. Please contact Miss Annabelle White, Executive Assistant on whitean@nenevalleypartnership.com

Closing date for applications is midday on Thursday 19th March 2026

Please contact Annabelle White for details of the application process or further details about this role:
