

The Southfield Trust

Externally posted July 2022

Head of Science **The Lindfield School**

We have an exciting opportunity to appoint a dynamic and innovative Head of Science to lead Science throughout our outstanding school at Key Stages 3 & 4. The curriculum covers Entry Level and Combined Science GCSE.

The Head of Science should share good practice and lead by example, promoting high standards in the delivery of lessons within their department.

This truly is a unique opportunity to build on an already successful department and develop science with learning and engagement at the core of everything we do.

Teachers at The Southfield Trust are encouraged to take a creative approach, seeking ways to positively engage with and motivate pupils. You will be confident in directing and utilising support staff within the classroom, in order to create a fun and effective learning environment for our pupils.

The ideal candidate will successfully set a vision and targets for pupil success and be confident in using their knowledge and expertise to monitor progress, give regular feedback and encourage our young people to adopt a responsible and conscientious approach to their own work and study.

Just as important as academic achievement is the social and emotional development of our pupils. We want our pupils to be successful citizens and positively contribute to their local communities, it will therefore be imperative to provide opportunities to advance these skills.

This can be a challenging environment and therefore, determination and resilience are key characteristics for the post.

Educated to degree level and/or of Qualified Teacher Status, you will be calm, engaging, resilient, and have an experienced, innovative style of teaching. You will be motivated to help every child reach their potential.

If you are passionate about working with students with additional needs, and have the energy, drive and desire to motivate our pupils and ensure they achieve the best possible outcomes, then we welcome your application.

This is a permanent full-time post from January 2023 - subject to a probationary period of one year.

The paid hours of work are 32.5 (full-time hours).

The salary range is from £25,714 (Main Pay Scale) to £41,604 (Upper Pay Scale) plus an SEN Allowance of £2,270 per annum plus a TLR2 Allowance of £2,873 per annum.

This post is initially required for The Lindfield School, however, candidates should be aware they may be required to work at any one of the Trust's schools.

For more information about the school please visit the Trust website: www.thesouthfieldtrust.com

You are encouraged to visit the school – to arrange a visit please email recruitment@thesouthfieldtrust.com in September

A teaching post application form, job description and person specification can be accessed via the Vacancies tab on our Trust Website at www.thesouthfieldtrust.com.

We look forward to receiving your application. We do not accept CVs. Your application will be accepted if sent by email to recruitment@thesouthfieldtrust.com

The closing date for this post is midday on Friday, 30th September 2022.

Interview date TBC.

If you do not receive a response to your application by 14th October you can assume that you have been unsuccessful on this occasion.
