Head of Science

Required for September 2022. Permanent Contract

Salary: Main Pay Scale & Upper Pay Scale with TLR 2B

Recruitment & Retention Payment available

Application Closing Date: Friday 20th May 2022

We know every teacher wants to be the very best they can be and we would love to help you along this journey. Teaching is full of rewards and challenges but what is key is a supportive team to work alongside you as you develop.

We are looking for a Head of Science to create an amazing Science Department. You will be trained in KS3 Science and will have a good understanding of how science develops from KS2.

Our academy provides a unique opportunity to teach both key stage two and key stage three children. We work with children age 9 – 13 (Y5 – Y8) and this age range enables us to put the curriculum at the heart of what we do. There are no national tests or exams at the end of key stage three and this empowers teachers to focus on driving a broad and balanced curriculum. As a teacher you will be surrounded by professionals from a range of backgrounds including both primary and secondary training. Teachers share pedagogical practice with each other and there is a genuine sense of a learning community.

We are looking to recruit a teacher passionate about science to work with our wonderful children. Gilbert Inglefield is a thriving, happy and successful school. Pupils are proud of their school and this is reflected in the commitment and standards they bring to so many aspects of school life. The excellent achievements of our pupils over their four-year journey with us are the result of their hard work, the support of our parents and the expertise of a dedicated staff. It is a real team effort.

Our aim is to ensure that through the highest quality teaching of a broad, balanced and challenging curriculum in a stimulating environment, each pupil flourishes. With an excellent pastoral care system, we foster an environment where children feel safe and able to learn. We are a community that values each child and provides them with the opportunity to fulfil their potential and enjoy learning. We believe in building a child's confidence, adaptability and resilience for the future within an ordered and structured environment, where high expectations are a habit.

Our school continues to grow to meeting the increased housing need. Last year we had £7m investment of new facilities and we are proud of what we can offer our learners. The school hopes to grow to 840 pupils by 2024.

Leighton Buzzard is 30 mins by train from London which means we have access to amenities of the capital on our doorstep.

[Click here to watch our school prospectus](#). We'd love to show you around our wonderful school, please contact kbright@gilbertinglefield.com for a tour.

Gilbert Inglefield Academy is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. All appointments are subject to enhanced DBS checks.
