Dear Candidate

Head of Science

Thank you for your interest in the Winsford Academy and the position of Head of Science from September 2021.

There has never been a better time to seek employment at The Winsford Academy, as we share a strong, dynamic sponsorship arrangement with the highly regarded and outstanding Fallibroome Multi Academy Trust, based in Macclesfield. The school is one of the founding members of the Fallibroome Trust and there are opportunities for development and collaboration across the Trust.

In May 2016 the Academy was judged, by Ofsted, to be good for 'overall effectiveness' and commended for 'rapid and sustained improvement' since incorporation into The Fallibroome Trust in September 2014. Inspectors were impressed with pupils' behaviour and pride in their school and commended a 'culture of improving learning' which meant that pupils made 'good progress in their subjects'. Teachers were commended for their high expectations and for challenging able pupils to achieve high standards and for the quality of care provided for all pupils.

Our Academy is an 11-16 mixed comprehensive school and we currently have 1020 students. Our intake is non-selective and varied, including children from a wide range of homes and backgrounds. We are very proud of our Academy and the achievements of our students who demonstrate a diverse range of talents and positive attitudes to learning. Our highly committed staff put the child at the centre of everything they do. Consequently, the Academy has seen impressive improvements in academic achievement.

I expect the very highest standards from our students and our strong school systems ensure that students are provided with a safe and friendly environment where teachers teach and learners learn. Outstanding levels of pastoral care and a diverse curriculum offer, ensure equality and opportunity for all.

We are looking for a Head of Science with a passion for the subject who will ensure that our students enjoy a rich curriculum in each of the sciences. The role will include teaching and coordinating the delivery of Science across KS3 and GCSE. The successful candidate will lead by example, supporting learners to achieve to the best of their ability.
