Valuing People, Supporting Personal Best

Welcome to SHARE Multi-Academy Trust, a supportive and close-knit family partnership of eight academies across West Yorkshire, and a Teaching School Hub.

At SHARE, we are committed to delivering strong educational standards within our academies and providing our people with excellent careers. This is all underpinned by an unwavering commitment to our vision of *Valuing People, and Supporting Personal Best.*

I believe our role as educators is to help children and young adults to instil a desire to learn, to overcome barriers to success, and to encourage an ambition to achieve. To reach this standard, we must first deliver for our people and ensure they feel valued, listened to and have a strong sense of belonging. In turn, our colleagues, pupils, and society all benefit enormously.

Two of our guiding principles are that 'quality is our driving force', and 'teams drive success'. We know that recruiting and retaining an outstanding workforce is fundamental to achieving our aims. We therefore make it our mission to ensure every colleague within the trust has access to exceptional training and personal development opportunities, alongside a positive teaching environment, clear and ambitious progression pathways, and highly competitive packages.

We are also committed to sharing best practice across our trust, creating networks for colleagues to learn from one another, and fostering a learning environment and workplace where everyone feels supported and inspired, and can truly thrive. As a result, we are proud to be an employer of choice.

Thank you for your interest in our academies and trust. I hope you will consider joining us as we continue to deliver the very best education for our pupils. Whether you are an education practitioner looking to start your journey, or an established professional wanting to bolster your career – we look forward to working together soon.

About our Trust

SHARE Multi-Academy Trust was first established in 2014, and since then, we have built a solid reputation for high standards and strong achievements.

We operate four successful primary academies and four high-performing secondary academies across the region. Our outstanding provision is supported by our Calderdale and Kirklees Teaching School Hub and national training accreditations, which enable us to deliver exemplary training and development opportunities for education practitioners at every stage of their career, from initial training to executive leadership.

Our academies achieve excellent outcomes across the board. This includes academic attainment and school improvement, as well as maintaining exceptionally high standards in all aspects of school life including behaviour and attendance.

As a result of the trust's supportive and inclusive approach, senior leaders invest significant time in supporting positive pupil behaviour and attendance. Our pupils attend well and are positive about learning. In turn, this creates a positive and respectful teaching and learning environment for staff, with teachers able to focus on delivering an excellent education to students without distraction, and with a manageable workload.

Whilst being close-knit, we are ambitious for the future.

We are always looking for additional ways to expand our positive impact, be that by working with new schools on exciting initiatives, or by collaborating with our talented team of staff.

Our aim has long been to be the best trust, not the biggest. Our priority for the future is to keep improving standards, building on our successes, and raising aspirations so we can support even more pupils to achieve even better outcomes.

“

Behaviour is excellent, and there are high levels of mutual respect and tolerance amongst pupils and staff.

Your Career at SHARE

Our vision of ‘Valuing People, Supporting Personal Best’ underpins everything we do. Central to our work and ability to deliver a transformational education, is our dedication to developing our greatest asset, our staff.

That is why we have an outstanding pledge to teachers and support staff to provide professional development and training opportunities, particularly through our Teaching School Hub. We are committed to investing in our staff, ensuring that they have fulfilling careers and enjoy their jobs every day. This is fundamental to our ability to turn academies around and deliver the very best education to pupils.

We offer a competitive package to all our colleagues.

We have committed to offering our colleagues pay and conditions that are at least as good as those available to colleagues in maintained schools. In practice, we often exceed them. We continue to contribute to the generous Teachers and Local Government Pension Schemes and at least match pay awards agreed or recommended by the Local Government Association and School Teachers’ Pay and Review Body. We use the flexibilities available to us as an academy to enhance our offers where we can.

As well as two generous pension schemes, we also offer employee assistance and wellbeing packages; and flexible and family-friendly policies, such as flexible working, shared parental leave and enhanced maternity, paternity, and adoption entitlement, giving colleagues the control and freedom to work in a way that suits their needs. We offer incremental progression and cost-of-living pay increases, subscribe to local and national discount schemes, and provide exceptional onsite catering facilities.

We work as a collective group of professionals to achieve common goals. Watching new teachers and leaders become established in their roles gives me an immense sense of professional pride, as they help our pupils to achieve excellent outcomes.

Endless opportunities through our **Teaching School Hub and Training Accreditations**

Our commitment to professional development and raising opportunities and aspirations in the communities we serve and beyond, is best reflected through our Teaching School Hub and Training Accreditations.

We are immensely proud to be the Teaching School Hub for Calderdale and Kirklees, enabling us to connect with, shape, and inspire teachers and practitioners of the future.

Through our Teaching School Hub and training platforms, we induct Early Career Teachers (ECTs) into the profession through an outstanding Initial Teacher Training programme. All our academies similarly play an important role in supporting trainee teacher placements through the Hub and with other local trainee teacher providers. We also offer a full suite of specialist and leadership NPQs through the Hub, including for staff themselves to facilitate Early Career and NPQ frameworks.

Since its launch, we are delighted that 1,000 new teachers have progressed or are progressing through our Early Careers Framework Course, with over 600 studying NPQs. We also continue to provide the Appropriate Body Service for nearly 500 new teachers.

Having the Hub as a central part of our trust family means it continually informs our approach to staff development and how we can enhance our training based on learnings and insights. It has also shaped our approach in recognising that development is a long-term, meaningful investment in our colleagues and therefore our pupils.
