Human Resources Department

Believe Achieve Succeed

The information contained below is to help staff understand and appreciate the work content of their post and the role they are to play in the operation. However, it should be noted that whilst every effort has been made to outline all the duties and responsibilities of the post, a document such as this does not permit every item to be specified in detail. Broad headings may therefore have been used, in which case all the usual associated duties are included in this job description.

Job title	Head of Technology	
Reporting to	Head of Faculty – Art & Technology	
Main purpose of job	This is a significant leadership role within the curriculum. The post holder will have full responsibility for the outcomes within Technology based subjects in terms of examination results. They will be responsible for ensuring all pupils have access to a Technology curriculum at both KS3 and KS4 that is: broad and ambitious; designed to provide pupils with access to powerful knowledge and cultural capital; coherently planned; sequenced towards cumulatively sufficient knowledge for future learning and employment.	
	The post holder will lead a team of subject specialist teachers. They will provide leadership and support to enable them to thrive in their roles, develop professionally and effectively contribute to the school's core purpose.	
	The postholder will therefore be responsible for ensuring that the Technology department contributes to the school's aspiration for all pupils to find their purpose and thrive as citizens of the world.	
Key responsibilities:		
Leadership & Management	 To understand, advance and act in accordance with the school's vision, values and core purpose To articulate the school's core purpose, vision and values and ensure that they are understood, shared and acted upon by all Technology teachers Contribute to achieving the school's vision by providing effective leadership of the Technology department To implement and embed the school's high standards and expectations of pupil achievement, pupil behaviour and professionalism of staff at all times To manage resources creatively, effectively and efficiently to meet the priorities of the school To support the Head of Faculty through team work, enabling staff to contribute their ideas, skills and experiences, devolving responsibilities and delegating tasks, as appropriate Provide staff with high quality professional learning opportunities that enable them to thrive in their roles, develop professionally and effectively contribute to the school's core purpose To be responsible for conducting the Technology department annual people development in line with the Trust policy 	

	To ensure that the faculty's teaching commitment is effectively and efficiently timetabled and roomed within the constraints of the school accommodation
School Culture	 Promote positive and respectful relationships across the school community Contribute to establishing and maintaining a safe and calm environment by sustaining high expectations and standards of behaviour for all pupils Ensure that the school's routines and rules are clearly understood and followed by all staff and pupils To build, develop and maintain effective relationships with parents, carers and members of the wider community to enhance the educational experience and outcomes of all pupils
Curriculum & Teaching	 Plan and deliver a highly effective Technology curriculums at both KS3 and KS4 that are as broad and ambitious as the National Curriculum To ensure curriculum coverage, continuity and progression within Technology for all pupils, without exception Contribute to developing high-quality inclusive teaching in Technology, built on an evidence-informed understanding of how pupils learn. To keep abreast of national and school curriculum developments and implement necessary changes To ensure the Technology department contributes to the wider curriculum offer within the Art & Technology Faculty and provides pupils with access to high quality enrichment activities
Performance & Standards	 To monitor and review subject policies and practices for assessing, recording and reporting on pupil progress in line with Trust and school policy To ensure that the Technology department contributes significantly to the main school headline outcomes against which the whole school is judged Liaise with the examinations team to ensure that all entries for internal and external assessments are on time and appropriate for pupils To ensure effective communication with parents to involve them in their child's learning as well as providing information about curriculum, attainment, progress and targets

All employees have the responsibility to:

- Ensure any documentation produced is to a high standard and is in line with the brand style
- Be aware and comply with all policies and procedures relating to safeguarding, child protection, health, safety and security, confidentiality and data protection, reporting all concerns to the appropriate person
- Participate in training and other learning activities as required
- Participate in the school/academy Performance Management process
- Provide appropriate guidance and supervision and assist in the training and development of staff as appropriate
- To promote the area of responsibility within the school/academy and beyond
- To represent the school/academy at events as appropriate
- To support and promote the school/academy ethos
- To undertake any other duties and responsibilities as required that are covered by the general scope of the post
- To undertake any other reasonable duties at the request of the Chief Executive Officer and Headteacher

All post holders must comply with The Dean Trust professional standards for leaders and managers. The job description will be reviewed as necessary as part of the Performance Management process and is subject to modification and amendment at any time after consultation with the post holder.
