Section 2 – United Learning

The Yorkshire Cluster is part of United Learning which is a large and growing group of schools aiming to offer life changing education to children and young people across England.

Our schools work as a team and achieve more by sharing than any single school could. Our Subject Specialists, Group-wide Intranet, our own curriculum and online learning portal all help us to share knowledge and resource, which supports simplifying work processes and managing workloads for an improved work-life balance.

As a Group we can reward our staff better and provide excellent career opportunities, better pay, employee benefits and ultimately, the satisfaction of helping children to succeed. We also invest in our staff wellbeing. Our academies each have at least eight INSET/training days per year (with three of those solely dedicated to planning) and an ongoing group-wide wellbeing programme. It is an ethos we call 'the Best in Everyone'.

We are working hard to become a more diverse organisation, which is key to our commitment to bringing out 'the Best in Everyone'. We welcome applications from everyone committed to this ethos and would particularly welcome applications from black and minority ethnic candidates who are currently under-represented in the Group as a whole. We always appoint on merit. We are open to discussing flexible working options.

Section 3 – Letter from the Regional Director

Dear Candidate

Thank you very much for your interest in the role within the Yorkshire United Learning Cluster. The cluster itself is a close-knit group of three Secondary Academies: Barnsley Academy, Sheffield Park Academy and Sheffield Springs Academy, who work alongside a number of local Primary Academies; all from within the United Learning Trust.

The cluster is well-established and has excellent support from locally based cluster central services. These cover Business Management, HR, IT and Site/Estate Facilities. They are led by an Executive Business Manager. This provides our Academies with excellent trained advice and support in these areas; this benefits the leadership and wider staff of every Academy.

United Learning Trust is a national organisation serving Primary and Secondary Academies, all-through Academies and Independent Schools. Our ethos is, “the Best in Everyone”. This is a useful phrase that sums up the work and focus of the organisation. Every decision taken is done with this aim in mind: for staff, for students and for the community. The Trust values of Respect, Determination and Ambition are driven through the Character Programme, which each Academy has carefully interpreted in their own way. The Trust attributes of Creativity, Confidence and Enthusiasm are demonstrated at every level.

United Learning, and Academies within the Yorkshire Cluster, demonstrate a strong commitment to staff CPD and staff wellbeing. If you join our schools you will be inducted, supported and developed in a deliberate way from before you even take up post. Our status as an Academy Trust enables highly competitive rates of pay progression and our employee schemes, such as Perkbox, are an attractive feature of employment.

Above everything, we put young people first and seek to recruit adults who share this view. We work with students, parents and families to provide a structured, supportive experience that enables them to achieve as well as they possibly can and become excellent scholars and rounded individuals. We insist on classrooms and corridors that are respectful, orderly places where everyone is expected to display positive and mature attitudes.

Applying for a new job is a huge investment of time and emotional energy. The recruitment decision has to be right for employee and employer. I would encourage you to seek out any information you need in order to make the important decision to apply and we welcome visits to our schools in advance of applications wherever this might be helpful.

I do wish you the very best with your application and thank you again for considering us.

Best wishes,

Laura Moore

The information contained above is to help staff understand and appreciate the work content of their post and the role they are to undertake in the organisation. However, it should be noted that whilst every effort has been made to outline all duties and responsibilities, a document such as this does not permit every item to be specified in detail. Broad headings have therefore been used in which case all the usual associated duties are included in this job description.

This job description will be reviewed annually as part of the performance management process and may be subject to amendment or modification at any time after consultation with the postholder. Elements of this job description and changes to it may be negotiated at the request of either the postholder or the incumbent of the post.
