Dear Applicant,

Thank you for your interest in applying for the post of Head teacher at Hose C of E Primary School. The governors are looking for a new head teacher who can work in partnership with them to develop and improve the school to reach our goal of maintaining an 'Outstanding' school.

Hose Primary School is a very positive and happy school community with an important role in the village life. We enjoy enormous support from our parents and we have an active supportive 'Friends' association. Our children's behaviour is outstanding and they are enthusiastic, motivated learners. Our teachers are a dedicated and effective team. They are professional, caring, fully committed and provide our children with every opportunity to enjoy each day and achieve their potential.

The candidate information pack included with this letter will support you in understanding the context of our school and its priorities. We would warmly encourage you to take the opportunity to visit our school and meet the children and staff. To arrange a visit please contact the school office via email – manager@hose.leics.sch.uk.

We look forward to hearing from you.

Kind regards

Nathan Jones

Chair of Governors

About Our School

Hose Primary School is a Church of England Voluntary Controlled school, positioned in the heart of the Vale of Belvoir. We believe that our school is an essential part of the village community and its success relies on the support and encouragement of all stakeholders.

At Hose we aim to provide a caring, secure and stimulating environment in which all children flourish and can achieve to the highest personal, social and academic standards of which they are capable. This means that everyone, parents, children, staff, governors and members of the community need to be supportive and committed to working together.

Our school works closely with the Vale Collaborative Partnership (VCP), sharing good practice; providing mutual support and extended learning opportunities for our children, staff and governors.

Hose C of E Primary School was built in 1845 and has maintained a close relationship with the church of St Michael and all Angels as well as wider links with the Diocese of Leicester. Our Christian values underpin our work and expectations for everyone.

Our values are: Respect, Pride, Bravery and Success. These values have been adopted because they are important to all members of our society irrespective of faith practices.

In February 2010 the school was judged by Ofsted to be 'outstanding'

In our last SIAMS inspection (2020), the school was judged to be 'Good'.

Hose Church of England Vision Statement

Preparing children for the a continually changing future through a stimulating curriculum that makes a difference to their world; exceptional social and personal development; excellent health and well-being.

Our School Motto

"Respect, Bravery, Success, Pride"

The four words in our school motto form the basis of everything we do. Our children develop a sound understanding of what they mean...

We demonstrate **Respect and Pride** with the care with which we plan exciting and engaging learning experiences for the children and the respect with which we involve them as partners in developing the curriculum for now and for the future.

We demonstrate **Respect and Success** in a reflective way that all staff and pupils are involved in developing the curriculum, and the way we forgive ourselves and others for mistakes which we use as learning points for further improvement.

We demonstrate **Bravery and Success** in the creation and implementation of a curriculum which challenges, inspires and encourages success for every child through challenging them to be active partners in their learning. It develops learning behaviours which encourages them to learn from mistakes and feedback, and to grow to become more thoughtful, mature, educated, wiser and educated citizens.

Our School Values

We believe in...

Developing outstanding personal development and attitudes to learning in preparation for future challenges in a changing world.

Promoting physical and mental health in a happy caring environment that is supportive, encouraging and challenging.

Making a difference to the world we live in through creating creative and exciting solutions to local and global issues.

Developing social skills and an appreciation of each person's unique strengths, respecting and accepting different cultures, races, genders and religions.

Adopting a profound sense of care, respect and nurture for the world and the environment we live in and the people around us.

Creating a broad range of inspiring experiences that allows children to develop skills and find their place in the world.

Working in partnership with our school community and beyond to build brighter futures.

High expectations alongside a culture of self-awareness, reflection and self-improvement.

Aims.

The staff, parents and governors have agreed that the core aims of the school are as follows:

Be safe, happy, healthy and make sensible choices;

Have respect for themselves and others;

Be independent, brave and inquisitive learners

Achieve high standards;

Aspire work hard to become their ‘best self’

These aims articulate the schools vision for an outstanding future and all planning and evaluation will be conducted in order to achieve these aims. These aims will form the basis of the school’s goals.
