Recruitment Pack

Trust Headteacher

WELCOME

Welcome from the CEO.

At Inspire Partnership, we believe that leadership is about more than just managing a school—it is about being the cultural architect of a community where everyone is inspired to excel. The role of headteacher is a significant leadership position in our trust; it is the driving force behind our mission to ensure excellence in every outcome for our children.

A headteacher at Inspire is more than a figurehead. We are looking for a leader who lives and breathes our values of support, collaboration, innovation, and excellence. You will be a lead learner—someone who is a passionate reader of educational research and who uses that evidence to shape and deliver a world-class curriculum. You won't just know what great teaching looks like; you will be able to articulate the science behind it and coach others to reach those same high standards.

We want a leader who is a true team player. In our Trust, no school is an island. You will be a vital collaborator, working across our family of schools to share your talents and learn from others. You will be professionally vulnerable—brave enough to admit when you are still learning, and bold enough to innovate when you find a better way to serve our pupils.

Our ideal candidate is someone who is professional in their conduct, personable in their relationships, positive in their outlook, and deeply proud of the community they serve. You will be relentless in ensuring our children are conversationally confident, produce work of the highest quality, and are fully prepared for their next stage of education.

In return for being a team player, we offer you a great team to play for. You will join a supportive network of leaders who rally around one another. We will invest in your growth through a culture of coaching and high-level professional development, giving you the freedom to lead with purpose and the support to make a lasting impact.

If you are a passionate educator who is bothered about the success of every child and ready to move a school from good to great, we would love to welcome you to the Inspire Partnership.

Matthew Knox
Chief Executive Officer

About the Trust.

At Inspire Partnership we are a community of schools inspiring excellence in everyone. Our partnership is like a Maypole dance: working together to produce something to be proud of. Our four values are what define us, and they are like the different parts of the Maypole tradition

Support

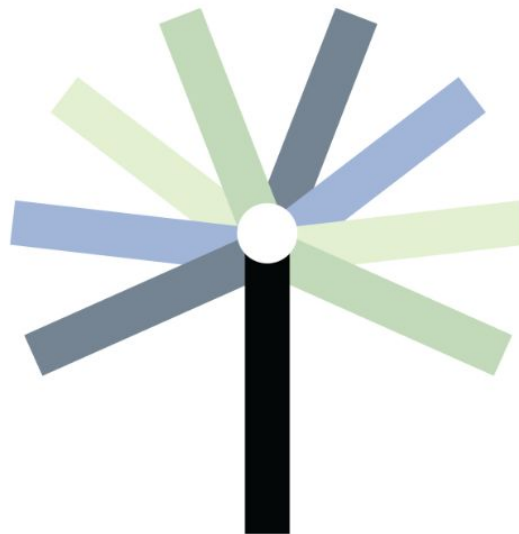

The maypole at the centre of the community

Excellence

Practice and persistence until it is right.

Collaboration

The coming together of the community

Innovation

Using what we know to create new and exciting routines

The Ripple Effect.

Support enables schools to feel secure and grow, which fosters a climate where **collaboration** can flourish. This collaboration then sparks **innovation**, leading to continuous improvement and the pursuit of **excellence** across all schools within the Trust.

Our Trust

We are a thriving community of primary schools each offering high-quality nurseries, excellent outdoor learning spaces, and a strong commitment to technological advancement. With Chromebooks and visualisers at the heart of our digital strategy, we empower students with modern skills for the future. By blending nurturing early education, inspiring environments, and innovative technology, we create dynamic learning experiences.

Our Trust currently consists of nine primary academies, all based in the Wakefield Local Authority, and we proudly support other schools across Yorkshire. As we continue to grow, we look forward to expanding beyond Wakefield, strengthening our network, and welcoming new schools into our family.
