Based on the Christian faith, we aim to teach every child to be considerate and respectful of themselves, others and the environment with everyone leading by example and demonstrating our belief in the Christian values.

To make school a place of happy memories and enjoyable learning, where all children are given a chance to shine and to leave the school as well-rounded individuals prepared for the future.

To develop the children in our care by giving them wide ranging experiences so that they gain knowledge and understanding of the world around them and value the opportunities that they have.

To give the children a firm foundation in the skills needed to succeed by being literate, numerate, creative and to possess technology skills to discover information for themselves within a safe, purposeful and open learning environment. We have a well thought out and sequenced KEYS curriculum which is now fully embedded throughout the school. Our extended programme of enrichment activities fully supports our academic opportunities.

To develop the whole child so that they are confident and motivated to learn and develop their own individual abilities and talents to achieve success that is recognised and celebrated.

To involve parents in the partnership of their child's education at our school and foster relationships that will support the development of their child. We aim to develop our own skills and knowledge as we recognise that learning is a lifelong journey and all staff are committed to their own development to benefit ourselves and the children we teach.

## **ETHOS AND VALUES**

As a Church of England school, the foundation of our approach is the Christian faith. The school enjoys strong links with the church, and this allows everyone to learn about and practice Christian beliefs, and to take part in its community life. The school is committed to respecting the personal values and beliefs (religious or otherwise) of parents and children.

Our school values are underpinned by our Christian beliefs and values for life. The eighteen carefully chosen Christian Values which are Generosity, Justice, Wisdom, Compassion, Forgiveness, Trust, Service, Humility, Friendship, Responsibility, Resilience, Perseverance, Courage, Creativity, Hope, Respect, Truthfulness and Peace. These are taught on a three year cycle with six values in each cycle.

The Governors and staff of Cronton C. E. School have aims for the children linked to our school motto "BEST".

**Believe** - to have faith in God, oneself and others

**Enjoy** - to be happy, secure, confident and independent.

**Succeed** - for every child to be well motivated, develop their potential and experience success.

**Together** - to be part of the community, locally, nationally and globally; to be well mannered, disciplined, sociable, caring and respectful.

Education at Cronton CE Primary School is a partnership between the home, the school and the church. We aim to make the school a warm, inviting and welcoming place, where children can feel secure and where parents are valued.

We aim to develop children's spiritual maturity enabling them to take responsibility for their own actions and to understand the needs of others. Giving children opportunities to reflect with awe and wonder on what they learn in school and the world around them and fostering their spiritual development. Throughout their time at Cronton C. E. School children are encouraged to express experiences, feelings, questions and ideas in their own words.

We believe that the school is both happy and welcoming, and that the education the children receive is of an extremely high standard. We foster a caring attitude in all who attend the school.

## Letter from our Chairs of Governors

Dear Candidate

Thank you for expressing an interest in our vacant position of headteacher at Cronton CE Primary School.

We have been in the very fortunate position of having sustained, strong leadership over the past 18 years, which has facilitated the provision of outstanding education, and enriched opportunities for all our children. This school has been graded outstanding by Ofsted in 2013 and 2023 consistently.

The recent retirement of the Headteacher (who will continue to fulfil a role within the Trust's central team, leaves us with an exciting opportunity for the right candidate to lead a school with established, exceptionally high standards, and with drive to take this school forward in the current climate of local, national and global challenges both within education and the wider society.

Cronton CE became an Academy as one of the first schools to join Liverpool Diocesan Schools Trust in 2017 to ensure that school performance and outcomes were strengthened through school improvement, with all aspects of school life being driven by distinctively Christian values.

Our dedicated team of staff and governors work extremely hard to ensure that the BEST educational opportunities and care is provided for all our children, that safety and wellbeing is paramount, and that partnerships with our stakeholders remain strong and effective. The governing body work collaboratively in partnership with the leadership team to effectively support and challenge.

Cronton Mission which is part of Farnworth Parish with St Lukes church, meet in the school hall, we provide family centred services to meet the spiritual needs of our school and village communities on a Sunday and within the school day. Services throughout the year are led by our children. The relationship with church is well established with strong cohesive working to enrich spirituality allowing children, staff and families to flourish.

Our school mission – "I can do everything through God who gives me strength", Philippians 4 :13, both inspires us and gives us the confidence to live out our Christian faith in our communities, as we embrace our Christian values. With Gods help, we seek to be fully inclusive and provide all our children with the BEST possible education. We are committed to develop the whole child linked to the Church of England's vision for education John 10:10.

Partnership with families, the village and wider community are well established, including a school in Tanzania is paramount. We want our school to be defined by love, and a school where all members of the community feel loved and ultimately feel like they can learn and ultimately feel like they achieve.

Our school is a happy, vibrant place, one where children and staff feel secure and able to give their best. We are extremely proud of our care and nurturing of pupils, and the results we achieve together.

Please have a look at our website, I hope this will give you a real flavour of what our school is about, and the work we currently do.

Chair, Local Governing Body

<b>Job Title:</b>	Headteacher
<b>Contract Term:</b>	Permanent
<b>Salary:</b>	L15 – L21
<b>Commencement date:</b>	01/01/2026
<b>Location:</b>	Cronton Church of England Primary School

This job description reflects the **National Standards of Excellence for Headteachers** (2020). These standards are built upon The Teaching Standards (2011) which apply to all teachers, including headteachers.

The appointment is subject to the current conditions of employment of headteachers, contained in the **School Teachers' Pay and Conditions** document and other current educational and employment legislation, including that of the Department for Education, and the terms of the National Society contract. In carrying out his/her duties, the headteacher shall consult, where appropriate, with the LDST, the local governing body, the staff of the school, its pupils, and the parents of its pupils.

### **A. The Core Purpose of the Headteacher**

The headteacher is the prime mover in creating, inspiring and embodying the Christian ethos and culture of this Church school, securing its Mission statement with all members of the school community and ensuring an environment for teaching and learning that empowers both staff and students to achieve their highest potential.

The core purpose of the headteacher is to provide professional leadership and management for the school within the context of the Trust Deed. This will promote a secure foundation from which to achieve high standards in all areas of the school's work. To gain this success the headteacher must establish high quality education by effectively managing teaching and learning and using personalised learning to realise the potential of all pupils. The headteacher should establish a culture that promotes excellence, equality, and high expectations of all pupils within a strong Christian ethos.

The headteacher is the leading professional in the school. Accountable to the CEO and Local governing body, the headteacher provides vision, leadership and direction for the school and ensures that it is managed and organised to meet its aims and targets. The headteacher, working with others, is responsible for evaluating the school's performance to identify the priorities for continuous improvement and raising standards; ensuring equality of opportunity for all; developing policies and practices; ensuring that resources are efficiently and effectively used to achieve the school's aims and objectives and for the day-to-day management, organisation and administration of the school.

The headteacher, working with and through others, secures the commitment of the wider community to the school by developing and maintaining effective partnerships with, for example, schools, other services and agencies for children, the LDST, the Diocese, higher education institutions and employers. Through such partnerships and other activities, headteachers play a key role in contributing to the development of the education system as a whole and collaborate with others to raise standards locally.

Drawing on the support provided by members of the school community, the Headteacher is responsible for creating a productive learning environment which is engaging and fulfilling for all pupils.

## **B. The Four Domains of Headship**

### **Domain One: Qualities and knowledge.**

Within the school's Christian ethos, the headteacher will:

2. Demonstrate optimistic personal behaviour, positive relationships and attitudes towards their pupils and staff, and towards parents, governors and members of the local Church and wider community.
3. Lead by example – with integrity, creativity, resilience, and clarity – drawing on their own scholarship, expertise, and skills, and that of those around them.
4. Sustain wide, current knowledge and understanding of education and school systems locally, nationally, and globally, and pursue continuous professional development that reflects the needs of a Church of England school.
5. Work with political and financial astuteness, within a clear set of principles centred on the school's Christian vision, ably translating local, national, and Diocesan policy into the school's context.
6. Communicate compellingly the school's vision and drive the strategic leadership, empowering all pupils and staff to excel.

### **Domain Two: Pupils and staff.**

Within the school's Christian ethos, the headteacher will:

2. Secure excellent teaching through an analytical understanding of how pupils learn and of the core features of successful classroom practice and curriculum design, leading to rich curriculum opportunities and pupils' well-being, taking

full account of the school's Church of England foundation.

3. Establish an educational culture of "open classrooms" as a basis for sharing best practice within and between schools, drawing on and conducting relevant research and robust data analysis.
4. Create an ethos based on Christian values within which all staff are motivated and supported to develop their own skills and subject knowledge, and to support each other.
5. Identify emerging talents, coaching current and aspiring leaders in a climate where excellence is the standard, leading to clear succession planning.
6. Hold all staff to account for their professional conduct and practice.

### **Domain Three: Systems and process.**

In a Church school, the relationship between the mission statement and the provision of effective governance, organisation and management should reflect the school's Christian aims. In order to provide an efficient, effective, and safe Christian learning environment, the headteacher will:

2. Within the school's Christian ethos, provide a safe, calm, and well-ordered environment for all pupils and staff, focused on safeguarding pupils and developing their exemplary behaviour in school and in the wider society.
3. Establish rigorous, fair, and transparent systems and measures for managing the performance of all staff, addressing any under- performance, supporting staff to improve, and valuing excellent practice.
4. Welcome strong governance and actively support the local governing body to understand its role and deliver its functions effectively – in particular its functions to set school strategy and hold the headteacher to account for pupil, staff, and financial performance.
5. Exercise strategic, curriculum-led financial planning to ensure the equitable deployment of budgets and resources, in the best interests of pupils' achievements, the school's sustainability and its Christian character.
6. Distribute leadership throughout the organisation, forging teams of colleagues who have distinct roles and responsibilities and hold each other to account for their decision making.

## **Domain Four: The self-improving school system**

Working in a spirit of collaboration to secure Christian principles of equity and entitlement, the headteacher will:

1. Create an outward-facing school which works with other schools, organisations, and the local community– in a climate of mutual challenge – to champion best practice and secure excellent achievements for all pupils.
2. Develop effective relationships with fellow professionals, colleagues in other public services, parents/carers, and the Church community to improve academic and social outcomes for all pupils.
3. Challenge educational orthodoxies in the best interests of achieving excellence, harnessing the findings of well evidenced research to frame self-regulating and self-improving schools.
4. Shape the current and future quality of the teaching profession through high quality training and sustained professional development of all staff.
5. Within the school's Christian ethos, model entrepreneurial and innovative approaches to school improvement, leadership, and governance, confident of the vital contribution of internal and external accountability.
6. Inspire and influence others -within and beyond schools- to believe in the fundamental importance of education in young people's lives and to promote the value of education especially within a Christian context.

The Headteacher/senior leader must ensure the school's safeguarding arrangements remain effective and are in keeping with expectations set out in key legislation and statutory guidance. The Headteacher/senior leaders should implement the Trust's Safeguarding Strategy, developing a culture which promotes the protection, safeguarding and well-being of all children, young people and adults working at the school.
