

Head Teacher

Dagnall VA Church of England School

Overview

We are a small Church of England primary school for 3-11 year olds in four mixed year classes located in a Buckinghamshire village at the foot of the Chiltern Hills.

We offer a unique learning environment, underpinned by our biblically rooted vision *'like trees, we grow and keep on bearing fruit' Jeremiah, 17:8.*

The Governors are looking to appoint a thoughtful and inspirational leader who is passionate about children's learning and ensures everyone is included and supported. The successful candidate should be fully committed to our vision and through it help children to grow spiritually and morally, as well as providing an excellent all-round education.

This is a permanent, full time post that includes a teaching commitment, determined by the needs of the school. Job-share would be considered.

Salary: Range L6-L11

Closing date: 12pm, Monday 20th March 2023

Interviews: Monday 24th April 2023.

About Us

Dagnall CofE School is a welcoming, friendly school which caters for girls and boys of primary age; we also offer nursery provision for children aged 3 by September of each year.

School numbers are currently 57 plus 5 in the Nursery. Our pupil admission number in each year group is 15.

The school has recently completed expansion to full primary school status having admitted Year 6 pupils for the first time last September. Our school serves Dagnall village and children from families in nearby towns and villages.

We received a 'Good' in our last Ofsted inspection in 2018 with 'Outstanding' for our Early Years provision. Our SIAMS inspection in the same year also found us to be 'Good'.

We have an experienced, hard-working staff and a dedicated governing body. We are supported well by parents and the community and we have strong links with the church and the village pre-school.

About the role

We seek a dedicated and reflective educational practitioner, ready to take the next step in their career, who will be able to lead and manage the school, ensure the achievement of excellent educational standards and promote and safeguard the welfare of children.
