Elkesley Primary & Nursery School is a thriving community primary and nursery school. The governors are seeking an experienced and inspirational head teacher to join our school community.

Elkesley is a friendly place where children and staff look forward to each new day, in a learning environment that is caring and creative. We want our children to achieve their full potential, be safe and happy, develop a love of learning, and gain the independence to make informed choices.

We provide a setting where children feel secure and confident, and where they are challenged to explore and understand the world around them. Our vision is for every child to excel at learning, express their talents and care for others.

The successful applicant will embody our values and ethos, putting children and families at the heart of everything they do and building a strong sense of community. They will lead an experienced team who are dedicated to helping every child fulfil their potential.

Walk through our school gates and it soon becomes clear this is a special place. Alongside a broad curriculum, we offer a wide range of opportunities for our children, including music, theatre club and sport trips.

The Governing Body, on behalf of the school community, is committed to appointing a head teacher who will:

- Be an inspirational leader
- Put our children at the centre of all they do
- Build on the school's strengths
- Bring energy and drive to developing and delivering the school's vision and strategic direction

We strongly encourage candidates to visit the school and see our work and ethos first hand. To arrange a visit, please email the Chair of Governors, Tom Macintosh, at tmacintosh@elkesley.notts.sch.uk. Please include your contact details and the dates and times you could attend.

Application forms and further information are available on our website: <https://www.elkesley.notts.sch.uk>
