We are seeking an inspirational, highly motivated Headteacher to lead our welcoming village school into its next chapter.

Ewyas Harold Primary School is a warm, inclusive village school with a PAN of 140, taught across four to five partly mixed-age classes in the beautiful Golden Valley, within easy reach of Hereford and Abergavenny.

Our enthusiastic children and staff enjoy a rich range of learning opportunities, supported by a thriving PTFA, strong community links and excellent parental support.

Following significant change, the school has refocused on its core values and is now increasingly stable and popular. As a committed Values-based Education School, these values are embodied and promoted by every adult.

We look forward to joining Orchard Multi-Academy Trust, potentially in September 2026; we will be contributing positively to the Trust while benefiting from wider support, opportunities for professional development, shared expertise and career progression. For the right candidate, this is an exciting opportunity to help shape the school's future. Our on-site preschool is expected to join the school and MAT, so experience of managing a 2-11 setting is required.

We are looking for a leader with excellent teaching, organisational and communication skills who puts children first, supports staff, leads day-to-day operations and works effectively within the MAT. The role will include some teaching commitment.

Please visit our website [www.ewyasharoldprimaryschool.co.uk](http://www.ewyasharoldprimaryschool.co.uk) to learn more about our school and download an application pack. Before applying, please read all the available information and ensure your application clearly explains how you will succeed in the role and meet the criteria for the post.

The school is committed to safeguarding and promoting the welfare and wellbeing of children and young people and expects all staff and volunteers to share this commitment. All members of the school community are expected to uphold and promote our school values. Appointment is subject to satisfactory pre-employment checks, including an enhanced DBS check.
