At our school, we all SPARKLE and we are GOLDEN. We are one big team who work very hard but also like to have lots of fun! At our school, we are supportive and we love to help others. We always make sure everyone feels welcome when they join and help them to SPARKLE in no time!

Ms Sheppard is our fantastic headteacher and she leads all of the awesome grown ups in our school. If we could choose 3 words to describe the adults, they would be:

- ★ Kind
- ★ Supportive
- ★ Enthusiastic
