Crescent Avenue
Over Hulton
Bolton
BL5 1EN

Head Teacher: Mr Simon Charnock

Letter from the Governing Board

On behalf of the Governing Board of St. Andrew's CE Primary School, Over Hulton, thank you for your interest in the position of Head Teacher.

As a Church of England primary school rooted in Christian values, we take immense pride in promoting a safe and happy learning environment that allows all pupils and staff to flourish, achieve and excel.

We are passionate about our school and its continuing journey to improve on what is already a welcoming, nurturing and inclusive setting. We have excellent Church, Parish and Diocesan links as well as good relations with other local schools, external agencies and specialist educational providers.

The Governing Body are seeking to appoint an inspirational leader who believes in the school's ethos, values and vision and will guide us on our journey as we grow in faith, hope and love. The successful candidate must be willing to embrace our drive forward. They must be an enthusiastic team player who can lead and develop our excellent staff team.

We would positively encourage you to visit our school in order that you may better understand our ethos and witness the extremely happy atmosphere in which our pupils and staff grow together. Details of how to arrange visit are given in the advert.

Mike Jeffries
Chair of Governors- on behalf of the Governing Board.
