Your drive for strong academic outcomes is balanced with a rich curriculum which motivates pupils to try hard and value their time in school. This is reflected in pupils’ excellent attendance as well as the pride they take in their learning and achievements. Displays around the school, including pupils’ high-quality writing, celebrate what pupils do well and reinforce your high expectations. Responses to Ofsted’s Parent View, show that parents and carers have great confidence in your work. They overwhelmingly agree that their children make good progress during their time at St Joseph’s.”

“St Joseph’s is a school with a long history having just celebrated its 150th Anniversary. Pupils benefit from a light, inviting learning environment in an older building that has been developed and maintained to a high standard. The care shown by all to this environment is exemplary. The school reflects strong elements of community and continuity through past pupils now being parents at the school or members of the wider school and parish community.”
